[A Course In Weight Loss](#) Marianne Williamson, 2012-01-01. The New York Times bestseller now with a new Introduction by the author. If your weighty thinking does not change then even if you lose weight you'll retain an overwhelming subconscious urge to gain it back. It's less important how quickly you lose weight and more important how holistically you lose weight: you want your mind, your emotions, and your body to all lose weight. Weight that disappears from your body but not from your soul is simply recycling outward for a while but is almost certain to return. It's self-defeating therefore to struggle to drop excess weight unless you are also willing to drop the thought forms that initially produced it and now hold it in place. Marianne Williamson: What is the connection between spirituality and weight loss? Best-selling author Marianne Williamson is about to answer that question for you in her groundbreaking book bringing you 21 spiritual lessons to help you surrender your weight forever. These lessons form a holistic paradigm for weight loss addressing the spiritual, emotional, and psychological elements involved in what Williamson refers to as conscious weight loss. If you are a food addict, a compulsive eater, or someone who for any reason sees food as the enemy, this book is for you. *A Course in Weight Loss* addresses the true causal root of your weight loss issues: a place within you where you have forgotten your divine perfection. This forgetfulness has confused not only your mind but also your body, making you reach for that which cannot sustain you and reject that which does. As your mind reclaims its spiritual intelligence, your body will reclaim its natural intelligence as well. The 21 lessons in this book will take you on a deep, sacred journey. One step at a time, you will learn to shift your relationship with yourself and your body from one of fear to one of love. And you will begin to integrate the various parts of yourself: mind, body, and spirit, to become once again, in all ways, the beautiful and peaceful person you were created to be. As Williamson writes: When it comes to your enjoyment of eating, your best days are not behind you but ahead of you. So get ready to begin a new relationship with food and with yourself. *A Chronicle: Spiritual Journey Back to the Heart* Harmony Grace, 2017-09-27. The journey of life can be filled with obstacles and challenges as much as it can be filled with fulfillment, love, and joy. And while we can often navigate the daily obstacles, sometimes we are faced with something so difficult that we need a miracle to continue on the journey. So where do we turn when we need this miracle? In *A Chronicle: Spiritual Journey Back to the Heart*, author and internationally acclaimed medium, clairvoyant, psychic Harmony Grace shares how she was able to channel the divine to help her fight back from a terminal illness even as all the traditional treatment options failed her. She became a miracle by defying the odds and following her calling to help others heal just as she was able, and her own healing journey has inspired a way for all of us to heal our own minds, hearts, and selves, our total way of being.
