The Temple of the Mermaid concerns two worlds: Terra Aqua and Terra Firma. One exists parallel to the other. They are on a collision course. This is due in no small part to the efforts of Joy and Laura, two best friends, college dropouts, roomies, weekend bar stool warriors, and coworkers at a cheese factory. One night, after repackaging a pallet of Swiss cheese, Joy accidentally opens a portal in the factory's rafters and is pulled through by a giant octopus tentacle. Laura is left behind to deal with the aftermath. This occurrence is needless to say unusual. But strange things do happen on Terra Firma or Earth as it is commonly referred to by its inhabitants. At some point 2100 years ago, a portal opened and dropped coins on the populace of one Middle Eastern city. Then these coin portals began occurring every so often around the globe. Here and there, several times a year, whole industries sprouted up that involve the tracking and acquisition of these coins, some of them gold, some of them silver, and some just average denominations from every country on the planet's surface, minted just the same as any Loonie, Kiwi, or commemorative US State Quarter. Where do they come from, and why? Well, Joy finds out in the Temple of the Mermaid. Literally. The octopus pulls her into a completely flooded version of Earth. While in the throes of drowning, gills rip open on Joy's neck, the transformation has begun. After escaping, Joy, gravely injured, lives as a stowaway in the bowels of Temple Eleven, hiding out with a crew of Naiad slave laborers. She bonds with these four women, though they don't know what to make of her stories, her odd clothing, and these foreign, f-bomb curse words she drops. They assume she's a Naiad from the wild with amnesia and mental problems. Joy begins to wonder if they're right or if she's dead or if she'll ever see Laura again. And what about Laura? She has been grappling with an international conspiracy of bankers, lawyers, Lutherans, Tibetan Monks, and AM Radio kooks. But if she can solve the mystery of the portals with some supernatural help of her own, she might be able to open one and find her lost best friend. Plesiosaurs, sea monsters, glowing portal rings, mermen, soldiers, jail breaks, scams, talking dolphins, ghosts, telepathy, body horror, bloody fangs, and an Evil Mermaid Queen with a bladed tail all play their parts in the epic Temple of the Mermaid series.
