experiences The linkage between the slavery of the Israelites and that of the African Americans is not new Simply recall the powerful black spiritual Go Down Moses African American spokesmen began to identify publicly with Israelite history towards the end of the eighteenth century William E Channing made the equation explicit For ages Jews were thought to have forfeited the rights of men as much as the African race at the South and were insulted spoiled and slain As a result when we study exodus and emancipation side by side each enriches the other with its perspective of a common national destiny that moves from slavery to freedom Publisher s website *The Selling of Joseph* Dieudonne Mayi,2004-02-01 The main message of this book is recognition of the undeniable fact that continental Africans played a key role in selling their fellow Africans to slavery The book pleads for forgiveness from an African perspective The biblical story of the selling of Joseph to slavery by his own brothers was used to look at black slavery in the Americas a similar historical injustice which occurred in the modern era of human history I am trying to extract from this tragedy something that has not been addressed much before a healing message of hope for forgiveness Not only the message urges sincere admission of wrongdoing and forgiveness on the part of the transgressors but it also calls for the due recognition of the accomplishments of black slaves and their descendants in the Americas Europe and Africa Finally I am introducing a concept of moral reparations as a first step to achieve everlasting healing for historical injustices like black slavery which oppose groups of people not merely one group and a government **Voices from Slavery** Chigor Chike,2007-02-01 The book tells the true stories of four Africans drawing as far as possible on their own writings The four individuals lived at different times and in different circumstances but their stories have a common central theme because each one was a victim of what is one of the greatest human rights abuses of all time the African slave trade Each became a free man received an education and had the rare opportunity of recording and reflecting on their experiences for the wider world to read We hear their stories unfold through their own narratives although the sources of their words vary from comprehensive biography to collection of letters Through the telling of their stories and helpful commentary by the author himself an African we can read first hand accounts of life as a slave and freed man in the 18th century All had strong religious beliefs and we are able to hear their personal views and reflections on a range of topics including Christianity God humanity and the slave trade itself Though the four men Sancho Gronniosaw Equiano and Cugoano all had a sense of God working in their lives and trials their understanding of the nature of faith and their relationship with the spiritual varies considerably The book reveals the black Africans as visionaries and highlights their often underestimated contribution toward the abolition of slavery Their stories resonate with contemporary issues in our world posing questions about identity and culture in multi ethnic communities in Britain today how Christian faith enlightens debates about the place of religion in national life and invites the exploration of the similarities between slavery and modern racism In a Postscript written with researchers in mind the author describes his own findings regarding the precise location of Equiano s origin in present day Nigeria GOD DEALING W/SLAVERY Thomas B. 1796 Richmond,Benjamin 1706-1790

[Africa for Christ](#) Thomas Lewis Johnson, 1885 **Africa for Christ** Thos. L. Johnson, 2011-10-23

GOD has indeed been gracious to me in permitting me to awaken a deeper interest in African mission work among my own people chiefly in the Western States of America so that I feel to day I am doing more good for Africa than if I had been permitted to continue my labors there. I am indeed very thankful to the dear friends in Britain for their help and sympathy in the African cause and would ask their further interest and assistance in promoting the sale of this little book the proceeds of which after defraying my own personal expenses will be devoted to the mission. Earnestly requesting the prayers of God's people on behalf of this great work that Africa may soon be won for Christ.
