The Judgement:

Kant's Critique of Judgement J.H Bernard,2020-08-03 Reproduction of the original Kant s Critique of Judgement by J H Bernard The Third Part of the Institutes of the Laws of England Sir Edward Coke,1817 *Diversity of Enforcement Titles in the EU* Vesna Rijavec,Wendy Kennett,Tomaž Keresteš,Tjaša Ivanc,2023-12-30 This book examines the diversity of enforcement titles in cross border debt collection focusing on the types structure contents and effects of enforcement titles It offers a comprehensive overview of judgments court settlements and authentic instruments from a variety of EU Member States It primarily employs the comparative legal method to draw conclusions on commonalities and differences as well as prospects for future approximation of laws The premise of the research is rooted in the finding that national authorities of EU Member States continue to treat enforcement titles from other Member States with reservations and mistrust despite being committed to the principle of mutual trust The book identifies the issues of mistrust stemming from the diversity of enforcement titles The research is based on a rich database of national reports compiled during the course of several large scale EU Justice Projects Divided into five parts the book offers first some general considerations and presents attempts at a systemisation of enforcement titles The following parts are then devoted to more specialised approaches toward the different types of enforcement titles However the connecting line between all parts of the book are the considerations of cross border enforcement in the EU and in a limited manner with third States Herein research also addresses critical factors regarding the free movement of judgments in the EU including those of lis pendens and related actions This book provides a valuable contribution to the Theory of European Civil Procedure Since it is based on a comparative approach and employs both empirical and doctrinal viewpoints it should also greatly benefit practitioners involved in cross border dispute resolution Overall the findings should be of interest to a broad audience including policymakers judges practitioners and scholars

His Appearing & His Kingdom T. Francis Glasson,2015-03-04 What is a twentieth century Christian to believe concerning the return of Christ and the last judgment What is to be the end of history and of the human scene All thinking Christians who desire to attain to a fully integrated faith must look eagerly towards any writings that offer help in these difficult themes Dr Glasson won the universal respect of scholars in his *The Second Coming of Christ* and in this book he traces Christian thought and belief from the beginning up to the present day and also expounds the tenets of the various Millenarian and Adventist movements He writes for the general reader as well as for the student *Descartes' Dualism* Gordon Baker,Katherine Morris,2005-08-18 Was Descartes a Cartesian Dualist In this controversial study Gordon Baker and Katherine J Morris argue that despite the general consensus within philosophy Descartes was neither a proponent of dualism nor guilty of the many crimes of which he has been accused by twentieth century philosophers In lively and engaging prose Baker and Morris present a radical revision of the ways in which Descartes work has been interpreted Descartes emerges with both his historical importance assured and his philosophical importance redeemed The Pitfalls of Virtue Ethics

Husain Sarkar,2025-09-18 In this book Husain Sarkar offers a remarkable look into the groundwork of virtue ethics Especially focusing on theories proposed by Julia Annas and Rosalind Hursthouse he examines a multiplicity of cardinal tenets of virtue ethics by bringing five cardinal objections namely the self defeating objection the circularity objection the moral relativism objection the explanatory poverty objection and the inconsistent advice objection to bear upon them These objections define the shape scope and substance of the book Collectively they unveil several fault lines a few hitherto unsuspected Sarkar argues that notwithstanding the novel intriguing answers to old familiar ethical questions the answers are so fraught with difficulties that virtue ethics as a philosophical moral tradition is best seen as badly in need of repair and reformation Perhaps this book may provoke a Renaissance in the field of virtue ethics **The Mission of the Comforter** Julius Charles Hare,1850 *Education and the Voice of Michael Oakeshott* Kevin Williams,2024-08-14 The work of Michael Oakeshott has retained a striking currency in philosophical discourse about education This is hardly surprising in view of his influence on Paul Hirst and Richard Peters two philosophers whose work had an enormous impact on educational thinking and practice in the English speaking world And although much of the detail in educational debate may change the fundamental underlying concerns regarding the conception of the person the nature of knowledge and the moral life and their expression in educational institutions and activities remain subject of disagreement In the light of this continuing interest and of Oakeshott s extensive writing on so many aspects of education it is timely that a book be published on his thinking on the subject The Second Advent T. Francis Glasson,2009-01-28 It is clear that there was a wider variety of Jewish beliefs concerning Messianic and eschatological matters than was often allowed for a few years ago The view of Schweitzer that the scene was dominated by the hope of a transcendent Messiah descending in glory from the sky the point of departure for his whole argument is now seen to be quite unsound I perhaps should have made it plainer in my original writing that I was attempting to face the challenge which Schweitzer gave by his notable book *The Quest of the Historical Jesus* the way in which I set out my material would have been seen more clearly had it been considered against the background of Schweitzer s book from the Preface to the Third Edition CONTENTS Part 1 The Parousia in Jewish Literature Extant in the Time of Jesus Part 2 The Parousia in the Teaching of Jesus Part 3 The Parousia in the Early Church Part 4 The Parousia in Jewish Writings of the Christian Era The Unity of the Proposition Richard Gaskin,2008-10-30 Richard Gaskin presents a work in the philosophy of language He analyses what is distinctive about sentences and the propositions they express what marks them off from mere lists of words and mere aggregates of word meanings respectively Since he identifies the world with all the true and false propositions his account of the unity of the proposition has significant implications for our understanding of the nature of reality He argues that the unity of the proposition is constituted by a certain infinitistic structure known in the tradition as Bradley s regress Usually Bradley s regress has been regarded as vicious but Gaskin argues that it is the metaphysical ground of the propositional unity and gives us an important insight into the fundamental

Wainwright, 2001-08-13 It is often said that the doctrine of the Trinity was implicit in the religion of the New Testament Christians but only received theological formulation when their successors reflected on the faith by which they were living Mr Wainwright sets out to discover how far the writers of the New Testament were conscious of the problem involved in their faith which led to the working out of the doctrine by their successors His conclusion based upon a meticulous examination of the evidence is that although they made no formal statement of the doctrine the problem was present in their minds and that they were seeking to answer it So in so far as doctrine is an answer to a problem the doctrine of the Trinity emerges in the New Testament and is far from being a speculation inessential to the Christian message **The Theology of the Gospel of Matthew** Ulrich Luz, 1995-05-04 This book first published in 1995 introduces retells and analyses the Gospel of Matthew

Civic Affairs ,1962 **The Works of the most Reverend Father in God, John Bramhall ... collected into one volume. In four tomes. To which is prefixt the authour's life; and in the end is added ... an exact copy of the records, touching Archbishop Parker's consecration ... as also the copy of an old manuscript in Corpus Chr: Colledge in Cambridge, of the same subject. Sim, 1998-01-01 In this meticulously researched study David C Sim reconstructs the Matthean community at the time the Gospel was written and traces its full history Dr Sim demonstrates that the Matthean community should be located in Antioch in the late first century and he argues that the history of this community can only be understood in the context of the factionalism of the early Christian movement He identifies two distinctive and opposing Christian perspectives the first represented by the

Jerusalem church and the Matthean community which maintained that the Christian message must be preached within the context of Judaism and the second represented by Paul and the Pauline communities in which Christians were not expected to observe the Jewish law Dr Sim reconstructs not only the conflict between Matthew's Christian Jewish community and the Pauline churches but also its further conflicts with the Jewish and Gentile worlds in the aftermath of the Jewish war
