**The Judges of Hades and Other Simon Ark Stories** Edward D. Hoch, 1971      **The Judges of Hades** Edward D. Hoch, 2013-11-26  
Five classic tales of murderous evil and the immortal who was chosen to fight for what is right  
In a small town near Washington DC seventy three villagers make the spontaneous decision to leap from a cliff to their deaths They leave no explanation behind but local rumor suggests they were being manipulated by an ancient evil power In a monastery in West Virginia a monk fears his brothers and is finally pushed from the window of one of the towers And in a town in Westchester County New York a self proclaimed witch casts a spell on a group of female college students  
These are strange cases seemingly beyond the grasp of reason and perfect fodder for Simon Ark A Coptic priest of the ancient world he was condemned after the Crucifixion to live forever wandering the earth and rooting out evil And in the small shadowy corners of small town America he will encounter great evil indeed  
The Quests of Simon Ark Edward D. Hoch, 2013-11-26  
When ancient evil emerges it can only be stopped by a two thousand year old sleuth  
Ten years ago Douglas Zadig emerged from the mist on an English moor his clothes tattered his speech slurred and his mind completely blank Since then he has reinvented himself as an expert on good and evil publishing book after book of a philosophy that is entirely lifted from the ancient writings of Zoroaster Zadig comes to Maine on the lecture circuit and in the frigid northern winter just as suddenly as he first appeared he is killed  
The case fascinates Simon Ark a two thousand year old Coptic priest on a ceaseless quest to hunt out the world's ultimate evil In The Man from Nowhere and the other stories in this volume Ark flits from murder to murder seeking supernatural explanations for the crimes But as he knows all too well no mystical force can compete with the evil inside the souls of men
