alive and relevant **Early Poems of William Morris (Classic Reprint)** William Morris, 2015-06-30 Excerpt from Early Poems of William Morris The Romantic Revival Ossian The beginnings of the Romantic Revival in England stand out in marked contrast to the works which represent to us the triumphs of the eighteenth century At a time when Goldsmith Churchill Young Blair and Thomson Falconer and Gray were the acknowledged exponents of English poetry the first notes of revolt against formal classic and conventional expression were sounded through Western Europe by an obscure Scottish clergyman In Ossian poor in ideas and limited in range as it was the eighteenth century found something of the mystery lying round and underneath Nature of the heroes of dim legend and the spirits of the mist and the wind and from its revolt of unfettered lyricism the Romantic reaction may be said to date its inception About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Early Poems of William Morris** William Morris, 2017-08-11 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates **The Collected Letters of William Morris, Volume IV** William Morris, 2014-07-14 These volumes bring to a close the only comprehensive edition of the surviving correspondence of William Morris 1834 1896 a protean figure who exerted a major influence as poet craftsman master printer and designer Volumes III and IV taken together give in detail the comments and observations that
