The Little Snake:

The Little Snake A.L. Kennedy, 2018-11-08 Charming lessons in life death and kindness Hugely moving Observer This is the story of Mary a young girl born in a beautiful city full of rose gardens and fluttering kites When she is still very small Mary meets Lanmo a shining golden snake who becomes her very best friend The snake visits Mary many times he sees her grow and her city change as bombs drop and war creeps in Lanmo wonders can having a friend possibly be worth the pain of knowing you will lose them

Snake's Pillow and Other Stories Zhu Lin, 1998-02-01 Jiangnan that part of east central China watered by the Yangzi River is the ironically Edenic setting for these six powerful tales of devotion betrayal and defilement Zhu Lin a uniquely angry female voice on China's literary scene takes a particular interest in the plight of young women whose exceptional qualities condemn them to exploitation by men No other contemporary Chinese writer renders the hostility of rural society toward women in such stark and ultimately tragic terms Serpents tyrannize the innocent in this fictional Jiangnan garden The title story refers to a fragrant blood red flower known as the snake's pillow which symbolizes an innocent girl betrayed and violated by a male figure of authority Immersed in the heady and sensual imagery of the natural world Zhu Lin's female protagonists invite comparisons not only with Eve but also with Thomas Hardy's Tess Zhu Lin has said of her fiction that its purpose is to summon the souls of readers who have lost themselves in the turbulence of a society in the transition to modernity and then to restore these lost souls to the bodies they have left An evocation of both flesh and spirit these Jiangnan stories give voice to the complex and disturbing experience of women in a changing society
