The Bridge of Silver Wings John Wiltshire,2023-07-30 Nikolas and Ben discover that bonds aren't forged with blood or scars but in the hearts of men strong enough to love Siberia in winter isn't a place for good men There is nothing Nikolas won't do to keep Ben alive Nikolas has exorcised his demons but when they end up stranded in Russia the monster inside needs to be let loose Ben discovers the truth of the adage be careful what you wish for Nikolas then faces an enemy he can't defeat Ben Rider himself Discovering a new family Ben realizes he's been living too long in the shadows cast by Nikolas's all consuming love For the first time life apart from Nikolas is possible Is Nikolas strong enough to let Ben go The Ragged Way People Fall Out of Love Elizabeth Cox,2002-09-01 Molly Hanner's marriage to William is slowly unraveling and the pulls of entropy this exerts upon them and their three children painfully instruct Molly in the many ways people barely miss loving each other But divorce is only a catalyst in Molly's life Amazed at the weight of her family's hurt and at her isolation within it Molly painter and student of astronomy shifts her gaze outward to the stars to the images she paints to the world around her looking for an order that will contain the disarray of her own life Tobacco Sticks William Elliott Hazelgrove,1995 In the South a white community turns against a lawyer who decides to defend a black maid accused of stealing a silver tea service from her mistress The story which is set in Virginia in the final year of World War II is narrated by the lawyer's 12 year old daughter *A Walk Through Time* Michele Blunt,2011-09-09 Four friends head out on an adventure on a beautiful spring day In one day the children travel many miles and through all the seasons while learning how chaos theory connects everything in the world The Temple Key Ross Gandy,2019-09-10 How could something so powerful so valuable to the Jewish people just drop off the face of the earth without a trace How could it just vanish from the pages of history for over 2500 years It was something that was the main focal point of the Jewish faith It was the Mercy Seat of God where God would come down to Earth where only the High Priest was allowed to come into God's presence This most Holy of holies just vanished from the Temple where it was supposed to be secure How could that happen without even a clue thought Dr Lucas David a Biblical history professor at a small Southern college Little did he know that soon he would be leading a crusade to return the lost Ark of the Covenant to its rightful place in the Holy City of Jerusalem What obstacles and dangers will he face on the long and treacherous journey through some of the most inhospitable countries in the world How do you transport something thousands of years old and feared by so many people What dangers will he face and who will try to stop him and why Who will help him **The Eternity Cure** Julie Kagawa,2014-03-01 In Allison Sekemoto's world there is one rule left Blood calls to blood She has done the unthinkable died so that she might continue to live Cast out of Eden and separated from the boy she dared to love Allie will follow the call of blood to save her creator Kanin from the psychotic vampire Sarren But when the trail leads to Allie's birthplace in New Covington what Allie finds there will change the world forever and

possibly end human and vampire existence There s a new plague on the rise a strain of the Red Lung virus that wiped out most of humanity generations ago and this strain is deadly to humans and vampires alike The only hope for a cure lies in the secrets Kanin carries if Allie can get to him in time Allison thought that immortality was forever But now with eternity itself hanging in the balance the lines between human and monster will blur even further and Allie must face another choice she could never have imagined having to make
