The International Yearbook Of Foreign Policy Analysis Volume 1:

Foreign Policy Analysis Valerie M. Hudson, 2007 Aimed at advanced undergraduate and beginning graduate students this book covers the theory of foreign policy analysis Beginning with an overview it then tackles theory and research at multiple levels of analysis ending with an examination of the areas in which the next generation of foreign policy analysts can make important contributions

The International Yearbook of Foreign Policy Analysis, 1975

Logic of Conflict Steven

Geffenius, 2019-07-12 The author's argument ties this literature to a field that is often called the logic of inquiry He criticizes an influential and deliberately analytical approach to the study of international conflict and show what can be gained by bringing more integrative or synthetic approaches to bear on problems in the field The study started as an effort to work out some problems in international relations theory and it has remained that through eight years of writing and research Still the book is more than incidentally about the Middle East and evidence from the region informs the argument made here This evidence is of two kinds traditional historical material from both primary and secondary sources and data on events that have occurred during the course of both conflictual and cooperative exchanges between the actors there The treatment focuses on the relationship between Egypt and Israel between 1967 and 1979 a period that saw their relations pass from the most intense antagonism to a reasonable degree of comity if not friendship

Yearbook on the African Union Volume 1 (2020), 2021-10-25 This is the first edition of the Yearbook on the African Union It is first and foremost an academic project that will provide an in depth evaluation and analysis of the institution its processes and its engagements Despite the increased agency in recent years of the African Union in general and the AU Commission in particular little is known outside expert policy or niche academic circles about the Union's activities This is the gap the Yearbook on the African Union wants to systematically bridge It seeks to be a reference point for in depth research evidence based policy making and decision making Contributors are Adekeye Adebajo Habibu Yaya Bappah Bruce Byiers Annie Barbara Hazviyemurwi Chikwanha Dawit Yohannes Wondemagegnehu Katharina P W D ring Jens Herpolsheimer Jacob Lisakafu Frank Mattheis Henning Melber Alphonse Muleefu John N Nkengasong Edefe Ojomo Awino Okech Jamie Pring Elizabeth Sidiropoulos Tim Zajontz

The opening essay by the editor sets out the terms of reference in the form of a model research question and three tables defining the attributes of the crisis actor the dimensions of the crisis and the characteristics of the crisis decisional unit. The following nine papers are in depth studies of individual actor crises which occurred between the years 1939 and 1976. These cases represent small medium and large states with different economic and military capabilities and span the entire globe Europe North and Central America South and Southeast Asia and the Middle East. Preliminary comparative findings for the nine vertical studies are then summarized. Initial findings on horizontal research offering systematic comparisons on patterns of behavior in Middle East crisis comprise the final paper in the group of empirical studies. The volume concludes with two papers one on the quality of decision making and the other a review of the literature on crisis anticipation decision making and management. The papers in this volume originally appeared in the *Jerusalem Journal of International Relations*

The Sources Of Russian Foreign Policy After The Cold War Celeste A Wallander, Anne Wildermuth, 2019-07-11 In this timely and pathbreaking volume scholars in comparative politics and international relations build upon earlier theoretical work on the interaction of domestic and international systems applying it innovatively to the study of post Soviet Russian policy and conduct. Individual chapters focus on regime type leadership politics interest group politics nationalism as ideology international conflict and threat and international economic opportunities and constraints. The complex interplay between domestic and international factors is highlighted. Exploring both the origins and the outcomes of Russian policy and behavior this book provides a telling measure of the direction and significance of political change since 1991

European Polyphony: Perspectives beyond East-West Confrontation Ole Waever, Pierre Lemaitre, Elzbieta Tromer, 1989-10-16 This study deals with the internal socio political changes that the traditional political structures have not been able to incorporate the perspectives of the superpowers and surveys of the debate on European security in each of 11 states. The book begins and ends with a theoretical overview

[Arctic Governance: Volume 1](#) Ida Folkestad Soltvedt, Svein Vigeland Rottem, 2017-10-03 The Polar North is known to be home to large gas and oil reserves and its position holds significant trading and military advantages yet the maritime boundaries of the region remain ill defined. In the twenty first century the Arctic is undergoing profound change. As the sea ice melts a result of accelerating climate change global governance has become vital. In this first of three volumes the latest research and analysis from the Fridtjof Nansen Institute the world's leading Arctic research body is brought together. Arctic Governance Law and Politics investigates the legal and political order of the Polar North focusing on governance structures and the Law of the Sea. Are the current mechanisms at work effective? Are the Arctic states' interests really clashing or is the atmosphere of a more cooperative nature. Skilfully delineating policy in the region and analysing the consequences of treaty

agreements Arctic Governance s uncovering of a rather orderly Arctic race will become an indispensable contribution to contemporary International Relations concerning the Polar North
