The Intimacy Jungle:

The Intimacy Jungle Terry Parsons (Ph.D., D.Min.),2000 Landscapes of the Soul Cyd and Geoff Holsclaw (PhD),2025-08-05 Does it feel like you experience life in a totally different way than others Like you are living somewhere else and you can t build connection or intimacy with God like others can There s a good chance that you like so many of us have tried it all read your Bible more gone to church more prayed more and delved deeper into self awareness But you still struggle with discontent anxiety avoidance and doubt You still feel stuck No matter where you find yourself emotionally relationally or spiritually Jesus meets you there and helps you move toward a place of peace and rest As pastors coaches and educators Cyd and Geoff Holsclaw are very familiar with this struggle and they are prepared to help In Landscapes of the Soul they draw on the science and spirituality of attachment theory biblical wisdom and the language of spiritual formation to show us why Christians tend to get stuck spiritually and how to get unstuck and move forward Whether you feel like you re living in a spiritual jungle desert or war zone you will discover how you are designed to grow good roots through healthy relational attachment how things go wrong through your often distorted survival strategies how God repairs your faith hope and love for Him others and ourselves how Jesus quiets your anxious and avoidant faith how to incorporate practices for building your security with God You aren t meant to live in the anxiety of a jungle the desolation of a desert or the chaos of a war zone God designed you to live in joy and peace in relationship with Him as if you are in a pasture under the protective care of the Good Shepherd **The Epic Mahabharata - Book 1: The Children Of Midnight** Ashok K. Banker,2016-10-27

The Philosophy of Spike Lee Mark Conard,2011-07-22 Over his twenty plus year tenure in Hollywood Spike Lee has produced a number of controversial films that unapologetically confront sensitive social issues particularly those of race relations and discrimination Through his honest portrayals of life s social obstacles he challenges the public to reflect on the world s problems and divisions The innovative director created a name for himself with feature films such as Do the Right Thing 1989 and Malcolm X 1992 and with documentaries such as 4 Little Girls 1997 and When the Levees Broke 2006 breaking with Hollywood s reliance on cultural stereotypes to portray African Americans in a more realistic light The director continues to produce poignant films that address some of modern society s most important historical movements and events In The Philosophy of Spike Lee editor Mark T Conard and an impressive list of contributors delve into the rich philosophy behind this filmmaker s extensive work Not only do they analyze the major themes of race and discrimination that permeate Lee s productions but also examine other philosophical ideas that are found in his films ideas such as the nature of time transcendence moral motivation self constitution and justice The authors specialize in a variety of academic disciplines that range from African American Studies to literary and cultural criticism and Philosophy **Pray Like Jesus** Don Underwood,2017-01-12 The Lord s Prayer is the most famous prayer in the world and is remarkably simple and brief In only 70 words Jesus covers the breadth of the Christian message and experience Most Christians already know it by heart and can

easily recite it In fact that might be part of the problem it is so well known and easily recited that most of us never even think about the words as we rattle them off silently or in a corporate worship setting In *Pray Like Jesus* pastor and author Don Underwood reexamines the content of the Lord's Prayer and discovers within it insightful spiritual guidance for developing a rich devotional life At the end of each chapter he suggests ideas for making the prayer a part of daily spiritual disciplines

Endorsements Don Underwood combines pastoral experience with biblical and theological insight to help us rediscover the Lord's Prayer and allow it to become a living reality in our lives James A Harnish author of *A Disciple's Path* *A Disciple's Heart* and *Living with the Mind of Christ* Don points out that the disciples asked Jesus to teach them to pray not after hearing the Master give a powerful sermon but after watching him pray They saw what prayer did for him and they wanted it too James W Moore author of *Yes Lord I Have Sinned but I Have Several Excellent Excuses* *The Intimate Ape*: Shawn Thompson, Jeffrey Moussaieff Masson, 2010-03-01 Kusasi is a three hundred pound male who could rip your arms and legs off like daisy petals if he wanted Princess was taught sign language by a researcher and had a limited ability to combine vocabulary For centuries the shaggy red orangutan lived in peaceful seclusion in the jungles of Southeast Asia and kept the ancient secrets about its quiet contemplative nature But that time has come to an end as one of the earth's most intelligent creatures has sadly also become one of its vanishing species I went up a muddy brown river called the Sekonyer into the jungles of southern Kalimantan on the island of Borneo to see orangutans as they really are and to know them the way they deserve to be known In *The Intimate Ape* journalist Shawn Thompson brings together a global assemblage of primatologists conservationists and volunteers to reveal the intricate life of these majestic primates As he travels through the steamy rainforests of Sumatra and the jungle river valleys of Borneo visiting nature preserves and observing conservation programs Thompson describes the emotional and intellectual lives of orangutans and recognizes the people who have committed their lives to understand protect and ultimately rescue this powerful yet sensitive relation of humanity An extraordinary book that adds to our understanding of the animal world From the Foreword by Jeffrey Moussaieff Masson After 17 years as a reporter photographer and editor at newspapers in Ontario Shawn Thompson became a full time assistant professor in the journalism department at Thompson Rivers University in British Columbia Canada He has traveled the world to find orangutans and interview orangutan scientists including trips to Sumatra and Borneo the only places in the world where orangutans are found in the wild Java the Philippines Australia the Netherlands and the United States He lives in the small city of Kamloops in the mountainous interior of British Columbia This is his sixth book *Cinematic Corpographies* Eileen Rositzka, 2018-05-22 Writing on the relationship between war and cinema has largely been dominated by an emphasis on optics and weaponised vision However as this analysis of the Hollywood war film will show a wider sensory field is powerfully evoked in this genre Contouring war cinema as representing a somatic experience of space the study applies a term recently developed by Derek Gregory within the theoretical framework of Critical Geography What he calls corpography implies a

constant re mapping of landscape through the soldier s body These assumptions can be used as a connection between already established theories of cartographic film narration and ideas of neo phenomenological film experience as they also entail the involvement of the spectator s body in sensuously grasping what is staged as a mediated experience of war While cinematic codes of war have long been oriented almost exclusively to the visual the notion of corpography can help to reframe the concept of film genre in terms of expressive movement patterns and genre memory avoiding reverting to the usual taxonomies of generic texts
