channeled material that completely demystifies the seven levels of initiation and how to attain them It contains revolutionary new information on how to anchor and open our thirty six chakras and how to build our light quotient at a rate of speed never dreamed possible The book includes a chapter on cosmic ascension and a unique cosmic map that outlines the process of planetary ascension The map also charts the course for full cosmic ascension through the seven cosmic planes and forty eight dimensions of reality back to the Godhead and undifferentiated Source Hidden Mysteries Joshua David Stone,1996-12-12 The Essenes the Kahunas of Hawaii Pan and the nature kingdom the angelic kingdom the Vedas and Upanishads the Kabbalah the Yoga sutras of Patanjali the Egyptian mysteries and The Keys of Enoch These profound spiritual teachings unknown to so many on our planet are a valuable resource to anyone wishing to move further along the path to enlightenment and ascension This book contains a wealth of information on esoteric teachings from the ancient mystery schools to the recently founded religions More than a mere retelling of well known facts the story begins with what may be the most elusive knowledge of our time that of the extraterrestrial presence on Earth *Spiritual Truths and Experiences of Life after Death* Gert Niemand,2013 Most of the information in this book came from Angels and Spiritual Masters who are living in the greater World of Spirit Therefore I would like to thank all the Angels and Masters who came down to do their work for God in Love and with Love and all their helpers who helped me to fulfill an oath I made During an out of the body experience while standing at Mountain Zion in the Presence of God I promised Him that I would tell all the people the truth about Him and His Spiritual Messengers the Angels and other life in the Spirit World All the Angels and Masters spoken to have nothing but Love for God their fellows spirits all of Mankind and the Animal Kingdom Life as we know it continuo after death in a slightly different format and regardless of what we say or believe every one of us knows deep in our inner being that we came from the world of spirit and we knows deep inside ourselves that that world is real and that we must one day return to it Regardless of what we say or believe we know within ourselves about the Presence of God I have used most of these short stories as talks during church services because Angels advised me what to write down and to use what they have shown me in the world of spirit as the talk Therefore most of the information in this book is from spiritual beings they are the real authors of this book I am just an instrument used by them as a voice box in the wilderness of Babel to explain some of the wonderful stories we read of in the bible In this way am I also complying with the vow I made to God *Claiming your Mind, Claiming Your Sovereignty* Anne Elizabeth Ph.D.,2023-03-20 As a healer and a seeker of truth Dr Anne Elizabeth has been searching for the origins of consciousness thinking and spiritual connection throughout her lifetime She has explored many philosophies and found the work of Rudolf Steiner a most comprehensive diamondmind view of our relationship to the cosmos and ourselves She has experienced many spiritual contacts as well as spiritual pilgrimages to England France and Spain following the path of Mary the mother of Jesus and Mary Magdalene and continues her quest for spiritual sovereignty in connection with her Future Self and the support of the Marconics Chronos Guild Through the many spiritual pathways

explored Dr Elizabeth has found the work of Rudolf Steiner and anthroposophy to hold a deep global and comprehensive perspective of the connections between our earth our planet and the ways in which we are influenced by the planetary system in which we live Beyond this matrix Dr Elizabeth discovered the Marconics Chronos Guild which facilitated her healing and ascension process with her Future Self into enduring grace multidimensionality **Dedicated to the Soul/Sole Good of Humanity** Maria Paige Vosacek,1994-01-01 Who are you What are you From whence have you come Where are you destined to go Socrates As a doorway to the light this book offers a vision of the world we would create if our lives honored the supreme force God the Father Through personal experiences and her own visionary view the author offers a feast for thought illuminated with verses from the Bible The finite is the infinite waiting to be freed Evil error is good gone astray the misguidance of the One Power The child of God with the unlit candle upon the altar of the heart is the child who seeks to light the candle but knows it not for the breath of ignorance has tombed the wanting sightless eye To open the unseeing eyes of the reader there is a series of explorations drawn from her life of seeing beyond the doorway into the Light It is profoundly moving and inspiring Messages communicated through nature Dreams voices and visions in Divine Light Healing oneself and others with love UFOs Family relationships marriage and children Dreamtime spiritual classroom Crystals as windows of Light and intelligence Transmutation and ascension **Heal Yourself - Heal the World** Donna Kenny,2016-08-11 Our created universe is ever evolving and is presently passing through a critical evolutionary stage We are in the midst of a universal healing and transformation process which will catalyze a shift into a new evolutionary paradigm This new paradigm will manifest a glorious reality that has never before been experienced on any level of Creation The highest of Heaven will be brought to Earth and humanity will experience a transformative rebirth in consciousness This book provides a comprehensive overview of the purpose and goals of the universal healing and transformation process from the perspective of the Divine Plan of Creation It also offers support and guidance for your personal healing and transformation process so that you can embrace your true divine destiny in the wondrous new reality *Catalog of Copyright Entries, Fourth Series* Library of Congress.
