## **The Irish Benedictines A History:**

**Irish Benedictines** Martin Browne, Colman N. O Clabaigh, 2005-04 In the story of Irish monasticism one chapter has been neglected the Irish Benedictine tradition has never attracted the historian's attention This volume seeks to redress this by providing a comprehensive survey of the ways in which Irish men and women have sought and continue to seek God by following the Rule of St Benedict

**The Benedictine Nuns and Kylemore Abbey** Deirdre Raftery, Catherine KilBride, 2020-05-15 For one hundred years Kylemore Abbey has been home to the Irish Benedictine nuns whose monastery in Flanders was destroyed during the First World War Known in continental Europe as the Irish Dames of Ypres the community was founded in 1665 and provided education to the daughters of elite Irish Catholics during the penal era On arriving in Connemara in 1920 the Benedictines established a monastery and opened a boarding school This book provides the first fully illustrated account of the Irish Benedictines and their monastery at Kylemore It also charts the fascinating history of the castle built by Mitchell Henry and later home to the Duke and Duchess of Manchester The stunningly beautiful castle became a national landmark in the nineteenth century The twentieth century saw the Benedictines develop the gardens restore the Gothic Chapel and open the castle to the public Meticulously researched with material from the Kylemore archives this book provides a compelling account of a unique part of Irish history while the images capture the life of the nuns and the savage beauty of Kylemore and its surroundings under the Diamond Mountain

Ó Clabaigh, 2005 A comprehensive survey of the ways in which Irish men and women have sought and continue to seek God by following the Rule of St Benedict The essays taken from the first Glenstal history conference celebrate and explore the stories of these Irish Benedictines over a period of 1400 years Their following the path of the Lord's commands brought them across Dark Age Europe through Reformation England and war torn Europe and into modern Africa In exile and persecution they established centres of learning and refuge returning to Ireland they continue to devote themselves to these activities seeking to glorify God in all things Glenstal Abbey is a Benedictine community located in Murroe Co Limerick The Abbey was founded in 1927 from Maredsous in Belgium and became the first male Benedictine community in Ireland since the reformation It was founded in memory of abbot Columba Marmion a Dublin priest who became Abbot of Maredsous in 1909 and died in 1923 The community runs a guest house farm and boarding school for boys

**The Benedictine Nuns and Kylemore Abbey** Catherine KilBride, Deirdre Raftery, 2024-05-05 For one hundred years Kylemore Abbey has been home to the Irish Benedictine nuns whose monastery in Flanders was destroyed during the First World War Known in continental Europe as the Irish Dames of Ypres the community was founded in 1665 and provided education to the daughters of elite Irish Catholics during the penal era On arriving in Connemara in 1920 the Benedictines established a monastery and opened a boarding school This book provides the first fully illustrated account of the Irish Benedictines and their monastery at Kylemore It also charts the fascinating history of the castle built by Mitchell Henry and

later home to the Duke and Duchess of Manchester The stunningly beautiful castle became a national landmark in the nineteenth century The twentieth century saw the Benedictines develop the gardens restore the Gothic Chapel and open the castle to the public Meticulously researched with material from the Kylemore archives this book provides a compelling account of a unique part of Irish history while the images capture the life of the nuns and the savage beauty of Kylemore and its surroundings under the Diamond Mountain **Irish Women in Religious Orders, 1530-1700** Bronagh Ann McShane, 2022 This book investigates the impact of the dissolution of the monasteries on women religious and examines their survival in the following decades showing how despite the state's official proscription of vocation living religious vocation options for women continued in less formal ways Overall this study provides a rich picture of Irish women religious during a period of unprecedented change and upheaval **The Benedictines in the Middle Ages** James G. Clark, 2014-11-20 The men and women that followed the 6th century customs of Benedict of Nursia c 480 c 547 formed the most enduring influential numerous and widespread religious order of the Latin Middle Ages This text follows the Benedictine Order over 11 centuries from their early diaspora to the challenge of continental reformation **The Cambridge History of Ireland: Volume 1, 600-1550** Brendan Smith, 2018-03-31 The thousand years explored in this book witnessed developments in the history of Ireland that resonate to this day Interspersing narrative with detailed analysis of key themes the first volume in The Cambridge History of Ireland presents the latest thinking on key aspects of the medieval Irish experience The contributors are leading experts in their fields and present their original interpretations in a fresh and accessible manner New perspectives are offered on the politics artistic culture religious beliefs and practices social organisation and economic activity that prevailed on the island in these centuries At each turn the question is asked to what extent were these developments unique to Ireland The openness of Ireland to outside influences and its capacity to influence the world beyond its shores are recurring themes Underpinning the book is a comparative outward looking approach that sees Ireland as an integral but exceptional component of medieval Christian Europe *The Transformation of the Irish Church in the Twelfth and Thirteenth Centuries* Marie Therese Flanagan, 2010 The twelfth century saw a wide ranging transformation of the Irish church a regional manifestation of a wider pan European reform movement This book the first to offer a full account of this change moves away from the previous concentration on the restructuring of Irish dioceses and episcopal authority and the introduction of Continental monastic observances to widen the discussion It charts changes in the religious culture experienced by the laity as well as the clergy and takes account of the particular Irish experience within the wider European context The universal ideals that were defined with increasing clarity by Continental advocates of reform generated a series of initiatives from Irish churchmen aimed at disseminating reform ideology within clerical circles and transmitting it also to lay society even if as elsewhere it often proved difficult to implement in practice Whatever the obstacles faced by reformist clergy their genuine concern to transform the Irish church and society cannot be doubted and is attested in a range of

hitherto unexploited sources this volume draws upon Marie Therese Flanagan is Professor of Medieval History at the Queen's University of Belfast *The Cambridge History of Medieval Monasticism in the Latin West* Alison I. Beach, Isabelle

Cochelin, 2020-01-09 Monasticism in all of its variations was a feature of almost every landscape in the medieval West So ubiquitous were religious women and men throughout the Middle Ages that all medievalists encounter monasticism in their intellectual worlds While there is enormous interest in medieval monasticism among Anglophone scholars language is often a barrier to accessing some of the most important and groundbreaking research emerging from Europe The Cambridge History of Medieval Monasticism in the Latin West offers a comprehensive treatment of medieval monasticism from Late Antiquity to the end of the Middle Ages The essays specially commissioned for this volume and written by an international team of scholars with contributors from Australia Belgium Canada England France Germany Italy the Netherlands Spain Switzerland and the United States cover a range of topics and themes and represent the most up to date discoveries on this topic **An**
