The Irish Question, 1840-1921 Nicholas Mansergh, 1990 **The Irish Question** Nicholas Mansergh, 2022-11-14
Originally published in 1940 but here reissuing the revised third edition of 1975 this book analyses the Irish Question The study is not a narrative history While the problems with which it deals have been suggested by the period it covers it is with the problems and not the period that it is focussed on Those problems are the interrelation of economic and social with political forces the impact of Irish discontent on the Liberal conversion to Home Rule the character of the political cultural and social forces behind revolutionary Irish nationalism and the changing nature of the concept itself Much attention is given to the implications of Anglo Irish relations in the wider context of nationalist imperial conflicts and critical studies are made of the writings of de Tocqueville Cavour Marx Engels and Lenin among others on the Irish Question **Irish Question: 1840-1921** Nicholas Mansergh, 1975 **The Irish Question, 1840-1921** Nicholas Mansergh, 1965 *The Irish Question 1840-1921, Etc* Philip Nicholas Seton Mansergh, 1965 *The Irish Question*, 1965 **Irish Question, 1840-1921** Nicholas Mansergh, 1965 **The Irish Question 1840-1921. A Commentary on Anglo-Irish Relations and on Social and Political Forces in Ireland in the Age of Reform and Revolution** Nicholas Mansergh, 1968 Home Rule and the Irish Question Grenfell Morton, 2014-07-15 Taking the years 1800 1920 the book considers the four Home Rule Bills and discusses the role of leading figures such as Charles Stewart Parnell and Isaac Butt This is a careful study of the rise in political consciousness it addresses the relationship between nationalism and the Catholic faith and popular support for the Union amongst Ulster Protestants providing clear analysis of a troubled period *The Irish Question and British Politics, 1868-1996* George Boyce, 1996-09-18 The problems of modern Ireland have attracted the attention of many British political leaders from Gladstone to Major Attempts to formulate a solution have been governed by the British perception of what the problem is and by the structures as well as the ideas of British party politics and British political life Ireland was never a laboratory in which dispassionate political experiments could be conducted Modern Ireland has been shaped by British policy and this has itself been influenced by British political habits and traditions social and economic reforms and new governmental institutions have been applied by politicians both of the left and the right The Framework Documents represent the latest attempt to achieve what Gladstone David Lloyd George and Neville Chamberlain sought and failed to achieve a lasting settlement of the political divisions within Ireland and between Ireland the Great Britain This book places the Irish question in the wider context of the history of the British Isles and thus seeks to explain its special place in British history as the Oldest Question and as a question for contemporary Britain Fully revised and with a new chapter to bring the analysis up to 1996 this new edition of Professor Boyce s work will be widely acclaimed British Political History, 1867-2001 Malcolm Pearce, Geoffrey Stewart, 2013-09-13 This third edition of British Political History 1867 2001 is an accessible summary of major political developments in British history over the last 140 years Analyzing the changing nature

of British society and Britain's role on the world stage Malcolm Pearce and Geoffrey Stewart also outline the growth of democracy and the growth in the power of the state against a background of party politics New coverage includes domestic affairs from 1992 to 2001 John Major's Government the creation of New Labour and the Third Way Blair's first ministry developments in Northern Ireland from 1995 through the Easter Peace Deal into 2001 the 2001 General Election results and implications Students of British politics and history will find this the perfect resource for their studies Ireland in the Age of Reform and Revolution. The Irish Question 1840-1921 ... New and revised edition of "Ireland in the Age of Reform and Revolution" Nicholas Mansergh, 1965 *Longman Handbook to Modern British History 1714 - 2001* Chris Cook, John Stevenson, 2014-07-10 This compact and accessible reference work provides all the essential facts and figures about major aspects of modern British history from the death of Queen Anne to the end of the 1990s The Longman Handbook of Modern British History has been extended to include a fully revised bibliography reflecting the wealth of newly published material in recent years the new statistics on social and economic history and an expanded glossary of terms The political chronologies have been revised to include the electoral defeat of John Major and the record of New Labour in office Designed for the student and general reader this highly successful handbook provides a wealth of varied data within the confines of a single volume **The Catholic Ethic and Global Capitalism** Bryan Fields, 2017-11-22 This title was first published in 2003 Fields traces the origins of recent economic growth in Ireland over a long period of development In doing so he opens up an old debate with new data interpretations and evidence that will force many to question existing truths about the role of religion in economic growth The work is founded on an innovative methodology and unique primary and secondary resource material that has never been used in a study of this kind This is timely as the area has a growing international market and addresses some recently ignored themes in the Social Sciences in particular religion Whilst concerned with global issues this text also focuses on one country which economists and sociologists as well as those in other Social Sciences areas will find of great interest **James Joyce and the Question of History** James Fairhall, 1995-11-09 Explores James Joyce's work as a response to developments in British and European history John Bull's Other Homes Murray Fraser, 1996-01-01 State housing became an integral part of the relationship between Ireland and Great Britain from the 1880s until the early 1990s Using research from both Irish and Westminster sources this book shows that there was recurrent pressure for the state to intervene in housing in Ireland in a period when the Irish Question was the major domestic political issue The result was that the model of subsidized state housing subsequently introduced in Britain was first developed in Ireland as a product of the tensions of British rule An important corollary of innovative Irish housing policy was its influence even in a negative sense on developments in mainland Britain This book also examines the cultural impact of imperialism and in particular the way in which British ideas of garden suburb housing and town planning design came significantly to reshape the Irish urban environment Fraser not only presents hitherto unknown material but does so in a unique interdisciplinary blend of
