The Irishman American Frontier Romance:

The New York Irish Ronald H. Bayor, Timothy Meagher, 1997-09-30 As one of the country's oldest ethnic groups the Irish have played a vital part in its history New York has been both port of entry and home to the Irish for three centuries This joint project of the Irish Institute and the New York Irish History Roundtable offers a fresh perspective on an immigrant people s encounter with the famed metropolis 37 illustrations The Irish and the Making of American Sport, 1835-1920 Patrick R. Redmond, 2014-02-10 Jerrold Casway coined the phrase The Emerald Age of Baseball to describe the 1890s when so many Irish names dominated teams rosters But one can easily agree and expand that the period from the mid 1830s well into the first decade of the 20th century and assign the term to American sports in general This book covers the Irish sportsman from the arrival of James Deaf Burke in 1836 through to Jack B Kelly's rejection by Henley regatta and his subsequent gold medal at the 1920 Olympics It avoids recounting the various victories and defeats of the Irish sportsman seeking instead to deal with the complex interaction that he had with alcohol gambling and Sunday leisure pleasures that were banned in most of America at some time or other between 1836 and 1920 This book also covers the Irish sportsman s close relations with politicians his role in labor relations his violent lifestyle and by contrast his participation in bringing respectability to sport It also deals with native Irish sports in America the part played by the Irish in Team USA s initial international sporting ventures and in the making and breaking of amateurism within sport The Wild Huntress: Love in the Wilderness Mayne Reid, 2021-04-25 In The Wild Huntress Love in the Wilderness by Mayne Reid readers are taken on a thrilling journey through the untamed landscape of the wilderness where love and adventure intertwine The book is written in a vivid and descriptive style capturing the beauty and danger of the natural world Reid's attention to detail creates a sense of realism that immerses the reader in the story making them feel as if they are experiencing the wild alongside the characters The novel s exploration of love in such a harsh and unforgiving environment adds depth and complexity to the plot showing the resilience of the human spirit in the face of adversity The Wild Huntress is a classic example of 19th century adventure literature combining elements of romance and action to create a captivating story that appeals to readers of all Clarence Catharine Maria Sedgwick, 2011-10-20 Honorable mention recipient for the 2012 Society for the Study of ages American Women Writers Award A pioneering American novel of manners first published in 1830 Catharine Sedgwick s Clarence follows heiress Gertrude Clarence as she negotiates the perils of the marriage market in New York City Giving Gertrude's family English and Caribbean histories Sedgwick aligns the United States in the 1820s with a larger Atlantic world This edition of Sedgwick's cosmopolitan novel will contribute to a rethinking both of the history of the American novel of manners and to the shape of Sedgwick's career as one of the most important novelists of the first half of the nineteenth century This Broadview edition offers a rich selection of contextual materials including selections from Sedgwick s correspondence and journals reconstructing the origins of the novel engravings and lithographs of key sites in the novel

American and British reviews of the novel and documentation of the author's revised edition of 1849 Courtship, Love, and Marriage in Nineteenth-Century English Canada Peter Ward, 1990-03-01 Courtship love and marriage are seen today as very private affairs and historians have generally concluded that after the late eighteenth century young people began to enjoy great autonomy in courtship and decisions about marriage Peter Ward disagrees with this conclusion and argues that freedom in nineteenth century English Canada was constrained by an intricate social institutional and familial framework which greatly influenced the behaviour of young couples both before and after marriage **American Novelists** Kay Bonetti, 1997 Readers of fine novels cherish the opportunity to hear their favorite novelists speak directly without commentary or interpretation about how their lives and concerns drive their fiction writing For twenty years The Missouri Review has brought these readers some of the most compelling and thought provoking literary interviews in print In this collection of fifteen in depth interviews with contemporary novelists the authors discuss the style and themes of their work their writing habits their cultural and social backgrounds and larger aesthetic issues with refreshing insight about themselves and their art Originally conducted for the American Audio Prose Library the interviews were then edited for publication in The Missouri Review Here they are reproduced with an introduction and with a brief biographical and bibliographical headnote for each writer These candid interviews with some of our favorite novelists are sure to delight all readers Authors Interviewed in This Volume Robert Stone Jamaica Kincaid Jim Harrison Tom McGuane Louise Erdrich and Michael Dorris John Edgar Wideman Robb Forman Dew Rosellen Brown Peter Matthiessen Scott Turow Margaret Walker Linda Hogan Robert Olen Butler Jessica Hagedorn Larry Brown The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr Goodbye Yeats and O'Neill Edward Alphonsus Hagan, 2010 Goodbye Yeats and O Neill is a reading of one or two books recently written by the following major authors Roddy Doyle Colm T ib n John McGahern William Trevor Seamus Deane Nuala O Faolain Patrick McCabe Colum McCann Nick Laird Gerry Adams Claire Boylan Frank McCourt Tim O Brien Michael Patrick MacDonald Alice McDermott Edward J Delaney Beth Lordan William Kennedy Thomas Kelly and Mary Gordon The study argues that farce has been a major mode of recent Irish and Irish American fiction and memoir a primary indicator of the state of both Irish and Irish American cultures in the early twenty first century The Columbia Companion to American History on Film Peter C. Rollins, 2004-03-24 American history has always been an irresistible source of inspiration for filmmakers and today for good or ill most Americans sense of the past likely comes more from Hollywood than from the works of historians In important films such as The Birth of a Nation 1915 Roots 1977 Apocalypse

Now 1979 and Saving Private Ryan 1998 how much is entertainment and how much is rooted in historical fact In The Columbia Companion to American History on Film more than seventy scholars consider the gap between history and Hollywood They examine how filmmakers have presented and interpreted the most important events topics eras and figures in the American past often comparing the film versions of events with the interpretations of the best historians who have explored the topic Divided into eight broad categories Eras Wars and Other Major Events Notable People Groups Institutions and Movements Places Themes and Topics and Myths and Heroes the volume features extensive cross references a filmography of discussed and relevant films notes and a bibliography of selected historical works on each subject The Columbia Companion to American History on Film is also an important resource for teachers with extensive information for research or for course development appropriate for both high school and college students Though each essay reflects the unique body of film and print works covering the subject at hand every essay addresses several fundamental questions What are the key films on this topic What sources did the filmmaker use and how did the film deviate or remain true to its sources How have film interpretations of a particular historical topic changed and what sorts of factors technological social political historiographical have affected their evolution Have filmmakers altered the historical record with a view to enhancing drama or to enhance the truth of their putative message The Irish Monthly ,1897 The Complete Idiot's Guide to Getting Your Romance Published Julie Beard, 2000-01-01 Takes the budding romance novelist through the entire process of The Scrap Book, 1910 developing story ideas editing finding publishers and marketing Rachel Lemovne Eileen Charbonneau, 1999-06-29 In her travels to Ireland to help feed starving people Rachel Lemoyne marries a man considered an outlaw by his English landlord for daring to grind the surplus corn she brought When the couple returns to America they flee to the wild west to escape the authorities who are looking for her husband Love and Theft: Blackface Minstrelsy and the American Working Class Department of English University of Virginia Eric Lott Associate Professor, 1993-10-28 For over two centuries America has celebrated the very black culture it attempts to control and repress and nowhere is this phenomenon more apparent than in the strange practice of blackface performance Born of extreme racial and class conflicts the blackface minstrel show sometimes usefully intensified them Based on the appropriation of black dialect music and dance minstrelsy at once applauded and lampooned black culture ironically contributing to a blackening of America Drawing on recent research in cultural studies and social history Eric Lott examines the role of the blackface minstrel show in the political struggles of the years leading up to the Civil War Reading minstrel music lyrics jokes burlesque skits and illustrations in tandem with working class racial ideologies and the sex gender system Love and Theft argues that blackface minstrelsy both embodied and disrupted the racial tendencies of its largely white male working class audiences Underwritten by envy as well as repulsion sympathetic identification as well as fear a dialectic of love and theft the minstrel show continually transgressed the color line even as it enabled the formation of a self consciously white working class Lott exposes minstrelsy as a signifier
