Called To Mission Mirjam Scarborough, 2012-02-27

PAPERBACK 192 pages Crown Quarto format According to the meta study ReMAP between 1992 and 1994 one missionary in twenty prematurely left mission service each year This implies the loss of half of all missionaries every thirteen years With this in mind it is widely thought that a clear sense of call serves to prevent such dropout This detailed and compassionate study of Mennonite women missionaries in Central Africa finds this to be true in the short term But in the long term the sense of call itself tends to turn on the call resulting in burnout and dropout Through extensive field work the author charts the course of missionaries who remodeled the call turning its burden into blessing This is embedded in a careful theological analysis drawing on a wide sweep of Mennonite thought and praxis

Bonhoeffer Geoffrey B. Kelly,2009-01-01 Dorothee Soelle once wrote Dietrich Bonhoeffer is the one German theologian who will lead us into the third millennium As we near the end of the first decade of this third millennium Bonhoeffer continues to inspire new generations as a spiritual guide for their actions on behalf of peace and social justice This book by Geoffrey Kelly provides a critical analysis and reading guide to two of the spiritual classics that are now available in new translations through Fortress Press Reading Bonhoeffer offers a running commentary of each segment of these popular texts along with discussion questions suitable for the university and seminary classroom as well as parish adult education programs In a final section of the book Kelly excerpts and analyzes three significant texts by Bonhoeffer on the need for world peace against the rising militarism and continued glorification of war in Germany and other European nations *The Explosive Power of Network Discipling* Ruthven Roy,2006-11 According to Roy every Christian is called to be a disciple and every disciple is called to be a fisher not just a member This discipling volume is a must read for every believer Practical Life **Christ**

The book s focus is on the need to empower and equip the people of God to carry out God s mission in the world Exploring principles of leadership it suggests practical skills and stimulates further discussion The emphasis of the book is on theological engagement with practical issues and each chapter gives concrete applied illustrations of the theological approach **Jesus' Attitude Towards the Law** William R. G. Loader,2002 This book provides a critical reassessment and fresh analysis of Jesus attitude towards the Law as portrayed in each of the canonical Gospels Q Thomas and the apocryphal Gospels Representing William Loader s definitive work on the subject this comprehensive study presents in a clearer picture of Jesus and his message A special feature of this book is its textually sequential analysis of the theme of the Law By taking this unique approach Loader lets Jesus stance towards the Law emerge directly out of the Gospel narratives themselves while

at the same time highlighting important similarities and differences between the texts Comparing the canonical Gospels with each other and with crucial noncanonical sources allows Loader to probe behind the tradition in the search for Jesus true relationship with the Judaism of his day Despite its focused theme this is not a book about the historical Jesus Instead it works with the ancient materials we actually have before us and so offers a more secure basis for the less certain task of reconstructing the history behind the texts In treating each Gospel Loader also begins with a substantial engagement of current and previous research before presenting his own perspectives As a result Jesus Attitude towards the Law will be valued both as an original scholarly contribution and as an unrivaled sourcebook for studying Jesus Second Temple Judaism and the origins of Christianity

The Formation of Christian Doctrine Malcolm B. Yarnell, 2007-11-01 The Formation of Christian Doctrine is an advanced academic study of how Christian doctrine develops distinguishing in particular between scholarly term *inventio* and less revelatory process of invention

Revelation and Reason in Christian Theology Christopher C. Green, David I. Starling, 2018-07-11 Do revelation and reason contradict Throughout the church s history Christians have been tempted to make revelation and reason mutually exclusive But both are essential to a true understanding of the faith The inaugural Theology Connect conference held in Sydney in July 2016 was dedicated to surveying the intersection of revelation and reason In *Revelation and Reason in Christian Theology* Christopher C Green and David I Starling draw together the fruit of this conference to provoke sustained deep reflection on this relationship The essays filtered through epistemological biblical historical and dogmatic lenses critically and constructively contribute to this important and developing aspect of theology Each essayist approaches revelation and reason according to the psalmist s words In your light we see light Ps 36 9 The light of faith does not obscure truth rather it enables us to see truth

Christ's New Address Bruce L. Taylor, 2021-11-18 Christ s New Address completes a six volume series of sermons by Bruce Taylor based on the Common Lectionary Revised Together they provide a theologically rich sacramentally reflective ecumenically compatible and biblically centered collection of proclamations for Sundays and major feast days An appendix to this volume offers a sermon preached as a departure from the lectionary following the tornado that devastated Norman Oklahoma when the author was serving as a pastor in Ponca City His sermons bear strong evidence of his commitment to Christian unity and dedication to the church s heritage as well as his conviction of its contemporary relevance through corporate witness and individual discipleship Included in this compilation for the second half of the church year featuring Gospel readings from Luke are several story sermons that illustrate the use of this form of preaching within the lectionary framework Christ s New Address is offered for use by preachers and devotional readers alike who will find it an engaging invitation to the beauty of sacramental worship and the comfort and challenge of the scripture passages that are commended for Christian worship in the lectionary cycle

Optimal Discipleship Neil Thomas DeSiato, 2025-06-26 The apostle Peter in his second epistle tells us that God's Word and promises are given as we encounter the revelation of Jesus Christ His promises are unveiled when we experience His glory and goodness In these moments Jesus the divine catalyst implants His promises in our hearts like seeds designed to grow and produce His life within us just as a natural seed grows in the soil to reproduce its life As the character of Christ develops within us the living Word works in us washing cleansing and pruning us from the filth of this world transforming and conforming us into His divine nature This ongoing transformation both powerful and hope filled encourages us to remain committed and dedicated to our spiritual journey and inspires others to follow Christ *A Study of the Twelve Apostles* Glenn Cummings, 2009 This book will give the reader a better understanding and appreciation for the twelve apostles It is biblically based and includes many scriptural references We learn from this study that God uses ordinary average men to accomplish great things for Him These disciples had their faults and failures their strengths and weaknesses their victories and defeats just like we do They were special men chosen by our Lord Jesus Christ **Christian Theology: The Classics** Stephen R Holmes, Shawn Bawulski, 2014-04-16 Christian Theology The Classics is a vibrant introduction to the most important works of theology in the history of Christian thought Exploring writings from the origins of Christianity to the
