lacks significance By introducing and reintroducing us to the feasts and festivals of the Bible as well as the special celebrations of the Christian calendar Moments and Days restores a sacred sense of time throughout our year enriching our experience of each holy day and enlivening our experience of even the most ordinary time **Why Call It God?** Ralph Mecklenburger,2020-11-25 Why Call It God contends that God is the order of the universe including divine intangibles such as love justice beauty and compassion which correctly give us faith that our lives have purpose and meaning The age old problem of evil science increasingly explaining how the world works when we used to turn to God and religion for answers and rampant secularism have produced a decline in religion though less a rebellion than simply a drifting away We need to understand that God is the order of the universe and thus the ultimate source of life meaning and spirituality Since no one fully understands the divine all God talk is metaphorical and approximate Many moderns mistakenly think they are religious doubters when in fact they are just holding on to personal metaphors for God as king and judge when they could and most often do believe in the awe inspiring order of being a conviction enhanced by science religion ethics and the arts
