The Josceline Dimbleby Christmas:

The Josceline Dimbleby Christmas Book Josceline Dimbleby, 1987
Dimbleby, 1994-08 **Cooking for Christmas** Josceline Dimbleby, 1978
Thompson, 2016-02-25 *You're So Mummy* is an honest take on 21st century motherhood that sticks two finger puppets up at parenting manuals. This isn't a book mothers can turn to for advice. It's not going to tell you how to make your kid sleep or how to get them into a good school or anything useful at all. In fact, instead, it's a hilarious look at what's happening inside the minds of once normal women who now find themselves in charge of small people. Lifelong best friends Sarah Thompson and Alex Manson Smith agree that motherhood is the best thing that's happened to either of them but wanted to read a book that acknowledged what a royal pain in the arse it can be. So that's what they've written. From not having sex to losing it over food. *You're So Mummy* covers the real issues confronting today's mothers. For mums who have been around the park too many times, *You're So Mummy* will make you howl in grateful recognition.

The Feast of Christmas Paul Levy, 1992 ***Dishes with Strange Names*** Ian Grierson, 2024-05-24
British and Irish cuisine rich in tradition and flavour has faced challenges in adapting to the modern world. Renowned for its hearty ingredients and lengthy cooking times, this style of cooking often clashes with today's fast-paced lifestyle where time is precious and health consciousness prevails. Moreover, these cuisines are known for their quirky and sometimes whimsical dish names. This cookbook celebrates the unique and oddly named dishes of British and Irish fare, offering just under 200 recipes for culinary exploration. Each recipe is preceded by a story delving into the dish's history and distinct features. While some dishes remain widely recognized and cherished classics like the full English, colcannon, toad in the hole, and bubble and squeak, others are regional favourites such as scouse in Merseyside and parmo in the North East. There are also lesser-known, rarely eaten delicacies like apple hat and collier's foot. For those intrigued by the misleading, such as squab pie made with lamb, not pigeon, or Glamorgan sausages (meatless cheese-based sausages), this book is a treasure trove of culinary surprises. And for the more adventurous, how about trying toad-in-the-hole pudding or a slice of fly cemetery. This book promises to pique your curiosity and introduce you to the charming eccentricities of British and Irish cooking.
