The Journey A Venture Into The Heart Of God:

The Journey Blain Markham,2003-12 The Art of Interfaith Spiritual Care Walter Blair Stratford,2016-06-23

Relationships between people are frequently compromised as a result of religious viewpoints but appropriate spiritual care requires bridges to understanding that will allow for trust and justice to become visible The pattern for this book is shaped on the recognition that while religious expressions differ markedly in their presentation we can discern at the core of all religious expressions a supposition of sacred presence It is therefore helpful for us all in the daily events of our lives that we approach people of other faiths with a degree of humility recognizing that neither we nor they have a final answer to the question of faith The book is divided into four parts each part containing some chapters in which elements of interfaith care are considered Part one explores the complexities of interfaith engagement Part two discusses ways for caring for each other in the search for meaning Part three claims that spirituality is most difficult if not impossible to define but can be visible in a variety of experiences The fourth part explores ways in which all that has gone before may be put into practice as spiritual care Mansions of the Heart R. Thomas Ashbrook,2019-03-01 A roadmap for spiritual formation In Mansions of the Heart

author R Thomas Ashbrook begins with his personal story of frustration and confusion while serving as a pastor of the church He tells of discovering a new path of spiritual transformation and offers seekers a way to move forward on their own spiritual paths Written for anyone who wants to develop a deeper more meaningful relationship with God Mansions of the Heart offers a step by step guide through a spiritual formation road map based on Teresa of Avila s seven mansions This spiritual classic reveals various phases of spiritual formation for which Ashbrook offers a personal guide to spiritual transformation Mansions debunks commonly held myths that lead to spiritual dead ends and describes a clear pathway to a deepening love relationship with God The book also offers church leaders a process for helping people in their faith communities grow as disciples of Christ *Roadmap to the Heart of God* Nancy J McLoughlin,2012-04-28 This books twenty three chapters when
