The Journey To The East:

The Journey to the East Pasquale De Marco, 2025-05-08 The Journey to the East takes readers on an extraordinary journey to the East where ancient secrets and legendary figures await discovery Join Pasquale De Marco and their intrepid team of explorers as they embark on a quest to uncover the lost tomb of a spiritual master whose teachings have shaped the course of history Through treacherous deserts towering mountains and ancient cities the expedition faces countless challenges and obstacles Yet their determination remains unwavering driven by an unquenchable thirst for knowledge and a deep belief in the significance of their quest Finally after months of arduous travel they reach the ruins of an ancient city nestled amidst towering mountains It is here that they believe the lost tomb lies hidden With renewed vigor they scoured the ruins searching for any sign of the legendary burial site And then as if guided by fate itself they stumble upon a concealed entrance hidden beneath a layer of ancient rubble With trembling hands they clear away the debris and step into the darkness their hearts pounding with anticipation Before them lies a vast underground chamber its walls adorned with intricate carvings and glowing with an otherworldly light In the center of the chamber resting on an ornate pedestal is a stone sarcophagus It is here Pasquale De Marco knows that the secrets of the lost tomb will finally be revealed The Journey to the East is a captivating blend of history adventure and spirituality Pasquale De Marco weaves together meticulous research firsthand accounts and vivid descriptions to create a narrative that is both spellbinding and thought provoking This book is a must read for anyone fascinated by the ancient world the search for lost knowledge and the enduring power of human curiosity If you like this book write a review on google books *The Journey to the East* Hermann Hesse, 2013-01-22 A great writer complex subtle allusive New York Times Book Review In simple mesmerizing prose Hermann Hesse's Journey to the East tells of a journey both geographic and spiritual H H a German choirmaster is invited on an expedition with the League a secret society whose members include Paul Klee Mozart and Albertus Magnus The participants traverse both space and time encountering Noah's Ark in Zurich and Don Quixote at Bremgarten The pilgrims ultimate destination is the East the Home of the Light where they expect to find spiritual renewal Yet the harmony that ruled at the outset of the trip soon degenerates into open conflict Each traveler finds the rest of the group intolerable and heads off in his own direction with H H bitterly blaming the others for the failure of the journey It is only long after the trip while poring over records in the League archives that H H discovers his own role in the dissolution of the group and the ominous significance of the journey itself Journey to the East Bijon Sarma, MaryAnn Sarma, Maryann, 2001 Journey to the East wires the remote past the present and the not so distant futures of East and West into a tumbleweed that the writers roll along the track of time The universal truth of love guides the reader all the way to the end Diary of a Journey to the east William Beamont, 1856

intolerable and heads off in his own direction with H H bitterly blaming the others for the failure of the journey It is only long after the trip while poring over records in the League archives that H H discovers his own role in the dissolution of the group and the ominous significance of the journey itself
