The Joy Of Chickens:

The Joy of Keeping Chickens Jennifer Megyesi, 2015-04-07 Finally backyard farmers who want to keep a few hens for eggs have a bible that is attractive enough to leave out on the coffee table and inexpensive enough to purchase on a whim. This comprehensive guide written in charming prose from the perspective of an organic farmer will appeal to readers who are interested in raising chickens or simply want the best knowledge about how to cook them. With this in mind, farmer and animal expert Jennifer Megyesi discusses all the basic details of raising the birds: general biology, health, food, choosing breeds, and so on, and she cuts through the smoke to identify what terms like organic, free range, and so on really mean for poultry farmers and consumers. No chicken book would be complete without information on how to show chickens for prizes, and this is no different, but *The Joy of Keeping Chickens* also stresses the importance of self-sustainability and organic living and the satisfaction of keeping heirloom breeds. Readers will appreciate the comprehensive nature of this readable, informative guide, and Megyesi's enthusiasm about keeping chickens. Coupled with Geoff Hansen's gorgeous full-color photographs, this text makes for an instant classic in the category.

The Joy of Hobby Farming Audrey Levatino, Michael Levatino, 2015-09-15 When the farm is a lifestyle but not quite a way to earn a living, it is considered hobby farming. Most of us want to live a sustainable and healthy life in which we protect the environment and keep it safe from development and overproduction. But we can take this a step further by learning how to grow our own produce while still maintaining an alternative, successful career to fund this passion. In this back-to-basics guide, Michael and Audrey Levatino share how to grow your own food. Raise chickens, horses, llamas, bees, and more. Practice being a little off the grid. Sell the bounty in your local community. Balance a professional career with a rural lifestyle. *The Joy of Hobby Farming* is a guide that will excite armchair farmers and inspire anyone to do it themselves. While this book won't help you become a farmer by trade, it does provide step-by-step instructions and various tips and tricks to maintain a thriving farm. It will surely teach those who aren't farmers by day to raise their own livestock, plant their own fruits and vegetables, and live out their countryside dream.
