## **The Kashmere Commonwealth:**

**The Kashmere Commonwealth** E. Dewey, 1997-06-01 India and the Commonwealth 1885-1929 S. R.

Mehrotra, 2021-12-19 The story of the transformation of the old British Empire into the modern Commonwealth had often been told from the point of view of Great Britain and the white dominions No attempt had so far been made to describe the decisive role of India in the shaping of the multi racial Commonwealth of today Originally published in 1965 the main theme of this work by an Indian author is the growth of the idea of Commonwealth in India from 1885 the year in which the Indian National Congress was organized to 1929 when Congress declared complete independence to be its goal What did the British Empire mean to early Indian nationalists How did the ideal of self government of India on the Dominion model grow What was India s continued association with the Commonwealth valued in India and in Britain Answers to these and similar questions are attempted in this book Despite its great importance the role of India in the Commonwealth in the nineteenth and early twentieth centuries had received little attention from scholars Dr Mehrotra s clear incisive informed and balanced study was therefore the more welcome not only for its source but because it lent a new dimension to our understanding of India s part in defining and enlarging the idea of Commonwealth It is an important contribution to Commonwealth and to modern Indian history

*Marginalization In History A Study of Rural Women In Kashmir* Dr. Urmeena Akhter, 2020-12-04 Marginalization is a multidimensional multicausal historical phenomenon There are no general laws to understand and comprehend the complex nature of marginalization The nature of marginalization varies in different settings For example the marginalization of women in Kashmir is not same as in rest of India though broadly they share some features The religious ideological system patriarchy political economy of a country and the overall social system have impact on the marginalization of a specific group or individual Development is always broadly conceived in terms of mass participation Marginalization deprives a large majority of people across the globe from participating in the development It is a complex problem and there are many factors that cause marginalization This complex and serious problem need to be addressed at the policy level Marginalization however has remained to be a persistent phenomena in one form or the other for a vast section of the population despite fast social and economic transition in the society of Kashmir Against this backdrop the present book aims to scrutinize the concept of marginalization as an interrelated social process its changing dimensions and socio political implications of persistent marginalization in Kashmir This book is an attempt to highlight the marginalization in history of Kashmir This book will help students and researchers to understand marginalization in history of Kashmir in a better way

**Life, Politics, and Resistance in Kashmir after 2019** Mirza Saaib Béq, Shubh Mathur, 2024-05-15 The forcible integration of Kashmir into the Indian union has unleashed a new wave of intense political repression human rights violations and resource appropriation in Kashmir and has once again made the conflict a focus of international attention This has led to a paradigm shift in global perceptions and created space for new understandings of the conflict and its possible resolutions

Life Politics and Resistance in Kashmir after 2019 A Multidisciplinary Understanding of the Conflict brings together original research and analysis by emerging and established scholars from a range of disciplines to offer a profoundly transformative understanding of the history and experience of Kashmir and the Kashmiris This book builds a Kashmir centric narrative of contemporary political and social developments through a discussion of topics ranging from struggles for human rights to environmental destruction and resource appropriation as well as mental health and the experiences of women children political prisoners and minorities
