New Testament TransLine Michael Magill,2008-07-18 Second Edition The republishing of the New Testament TransLine has given me the opportunity to fix all the typos that have been brought to my attention I give thanks to all who helped by pointing out these things In addition I have produced the forthcoming *Disciples Literal New Testament* tentative title which is a simplified version of this book about one third its size It is the same translation found in this volume but now presented in paragraph format no outline with interpretive section headings and a few notes Moving the translation to paragraph format required changes to the punctuation and these are now incorporated into this volume as well Some improvements to the outline structure of *The New Testament TransLine* were also made as an outcome of viewing the text in paragraphs May God bless you as you study His Word and may God use these two works according to His good pleasure In contradiction to the tenor and direction of our current world the Word of God will stand forever as objective truth corresponding to true reality from God s point of view It is not truth for me or true because it works for me but it is truth from God and therefore truth for everyone Michael Magill April 2008

TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We've seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God's mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God's children and no child of God keeps on sinning after they are born again through Jesus the Anointed One
