The Lost And Found Stories Of Morley Callaghan:

The Lost and Found Stories of Morley Callaghan Morley Callaghan, 1985 Twenty six short stories never before published in book form Morley Callaghan at his best **The Lost and Found Stories of Morley Callaghan** Morley Callaghan, 1985 Twenty six short stories never before published in book form Morley Callaghan at his best **The Complete Stories** Morley Callaghan, 2003 The complete short fiction of Morley Callaghan appears as he comes into full recognition as one of the singular storytellers of our time In four volumes several stories are collected for the first time two of which *An Autumn Penitent* and *In His Own Country* have been out of print for decades [The English Short Story in Canada](#) Reingard M. Nischik, 2017-04-11 In 2013 the Nobel Prize for Literature was for the first time awarded to a short story writer and to a Canadian Alice Munro The award focused international attention on a genre that had long been thriving in Canada particularly since the 1960s This book traces the development and highlights of the English language Canadian short story from the late 19th century up to the present The history as well as the theoretical approaches to the genre are covered with in depth examination of exemplary stories by prominent writers such as Margaret Atwood and Alice Munro *Encyclopedia of the American Short Story* Abby H. P. Werlock, 2015-04-22 Two volume set that presents an introduction to American short fiction from the 19th century to the present [A Reader's Companion to the Short Story in English](#) Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader s Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory

[Morley Callaghan and His Works](#) Gary Boire, 1991 These studies of Canadian authors fulfill a real need in the study of Canadian literature Each monograph is a separately bound study of about 55 pages Each contains a biography of the author a description of the tradition and milieu that influenced the author a survey of the criticism on the author a comprehensive essay on all the author s key works and a detailed bibliography of primary and secondary works **The Canadian Short Story** Reingard M. Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada s flagship genre It continues to attract the country s most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story

This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century. A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada, the US and Great Britain via representative examples completes it. The collection is geared both to specialists in and to students of Canadian literature. For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story. Reingard M Nischik is professor and chair of American Literature at the University of Constance, Germany. **Companion to Literature** Abby H. P. Werlock, 2009. Praise for the previous edition: Booklist, RBB, Twenty Best Books for Student Researchers, RUSA, ALA Outstanding Reference Source, useful Recommended for public libraries and undergraduates. **Ancient Lineage and Other Stories** Morley

Callaghan, 2012-10-30. A new selection of stories by Canada's Hemingway with an afterword by Pulitzer Prize winner William Kennedy. Morley Callaghan's literary circle included Hemingway, Fitzgerald and Joyce. In a career spanning more than six decades he published sixteen novels and more than one hundred works of short fiction. Bringing together more than twenty-five stories from five different collections, *Ancient Lineage and Other Stories* confirms Callaghan's pre-eminent status.

Such Is My Beloved Morley Callaghan, 2009-02-24. One of the great novels of the 1930s, *Such Is My Beloved* recounts the tragic story of two down and out prostitutes and the young priest who aspires to redeem their lives. The novel is at once a compassionate portrait of innocence and idealism and an emphatic condemnation of a society where the lines between good and evil are essentially blurred. *Such Is My Beloved* is widely considered to be Morley Callaghan's finest novel. *A History of Canadian Literature* William H. New, William Herbert New, 2003. New offers an unconventionally structured overview of Canadian literature from Native American mythologies to contemporary texts. Publishers Weekly: *A History of Canadian Literature* looks at the work of writers and the social and cultural contexts that helped shape their preoccupations and direct their choice of literary form. W. H. New explains how from early records of oral tales to the writing strategies of the early twentieth-century writer, reader, literature and society are interrelated. New discusses both Aboriginal and European mythologies, looking at pre-Contact narratives and also at the way Contact experience altered hierarchies of literary value. He then considers representations of the real, whether in documentary, fantasy or satire, historical romance and the social construction of Nature and State and ironic subversions of power, the politics of cultural form and the relevance of the media to a representation of community, standard and individual voice. New suggests some ways in which writers of the later twentieth century codified such issues as history, gender, ethnicity and literary technique itself. In this second edition he adds a lengthy chapter that considers how writers at the turn of the twentieth century have reimagined their society and their roles within it and an expanded chronology and bibliography. Some of these writers have spoken from and about various social margins dealing with issues of race, status, ethnicity and sexuality; some have sought emotional understanding through

strategies of history and memory some have addressed environmental concerns and some have reconstructed the world by writing across genres and across different media All genres are represented with examples chosen primarily but not exclusively from anglophone and francophone texts A chronology plates and a series of tables supplement the commentary

Encyclopedia of Post-Colonial Literatures in English Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide
