Spirit Walker Poems:

Walking Two Worlds Betty Nadine Thomas, 2024-06-27 This book has been a profound personal journey across time space and dimensions Most of the poems have been given to me directly from my Spirit Guides their words ideas and concepts have not been altered in anyway My role has only been to transcribe their messages I am just the person holding the pencil Recently I was asked to read a few poems to an audience from Walking Two Worlds After reading them I realized these poems should not be read in an audience setting The poems and drawings are so interrelated that one misses out experiencing the totality of both art forms This book of poems is a journey that needs to be experienced and enjoyed by each person on an individual personal basis As with all of my writing and drawings my goal is to teach compassion broaden narrow minds and motivate people to accept all peoples for who they are regardless of culture race religion and or sexual orientation If only one person s life or ideas are changed in a positive way as a result of reading Walking Two Worlds I will consider it an outstanding accomplishment
