Swanson on Swanson Gloria Swanson,1980 An autobiography by the former movie star and producer Gloria Swanson

Swanson on Swanson Gloria Swanson,1980 Gloria Swanson Tricia Welsch,2013-08-21 Gloria Swanson Ready for Her Close Up shows how a talented self confident actress negotiated a creative path through seven decades of celebrity It also illuminates a little known chapter in American media history how the powerful women of early Hollywood transformed their remarkable careers after their stars dimmed This book brings Swanson 1899 1983 back into the spotlight revealing her as a complex creative entrepreneurial and thoroughly modern woman Swanson cavorted in slapstick short films with Charlie Chaplin and Mack Sennett in the 1910s The popularity of her films with Cecil B DeMille helped create the star system A glamour icon Swanson became the most talked about star in Hollywood earning three Academy Award nominations receiving 10 000 fan letters every week and living up to a reputation as Queen of Hollywood She bought mansions and penthouses dressed in fur and feathers and flitted through Paris London and New York engaging in passionate love affairs that made headlines and caused scandals Frustrated with the studio system Swanson turned down a million dollar a year contract After a wild ride making unforgettable movies with some of Hollywood s most colorful characters including her lover Joseph Kennedy and maverick director Erich von Stroheim she was a million dollars in debt Without hesitation she went looking for her next challenge beginning her long second act Swanson became a talented businesswoman who patented inventions and won fashion awards for her clothing designs a natural foods activist decades before it was fashionable an exhibited sculptor and a designer employed by the United Nations All the while she continued to act in films theater and television at home and abroad Though she had one of Hollywood s most famous exit lines All right Mr DeMille I m ready for my close up the real Gloria Swanson never looked back **Gloria Swanson** Stephen Michael Shearer,2013-08-27 The first in depth biography of film legend Gloria Swanson whose unforgettable role in Sunset Boulevard overshadowed her true life Swanson was Hollywood s first successful glamour queen and took control of her own career while tantalizing many men along the way

Gloria Swanson Gloria Swanson, *The Swanson Family History* Mildred Lois Swanson Johnson,2007 Swanson Family Tree Lavone A. Swanson,19?? **Swanson Family** Mary Swanson Applen,2013 **Allan Dwan and the Rise and Decline of the Hollywood Studios** Frederic Lombardi,2013-03-05 It could be said that the career of Canadian born film director Allan Dwan 1885 1981 began at the dawn of the American motion picture industry Originally a scriptwriter Dwan became a director purely by accident Even so his creativity and problem solving skills propelled him to the top of his profession He achieved success with numerous silent film performers most spectacularly with Douglas Fairbanks Sr and Gloria Swanson and later with such legendary stars as Shirley Temple and John Wayne Though his star waned in the sound era Dwan managed to survive through pluck and ingenuity Considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably Republic Pictures Sands of Iwo Jima

and such independent producers as Edward Small Along the way Dwan also found personal happiness in an unconventional manner Rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough examination of Allan Dwan and separates myth from truth in his life and films **More Than Lucky** George H. Swanson, 2009-07 Come along with George a child of WWII who wants to be a minister Life takes him from suburbs to farms near death encounters life in the 50 s college and then his dream dies It s about a rail fan suspicious about airplanes who takes a job with TWA so he can become an English teacher He s mad at God yet God blessed challenged and surviving Live aviation s Golden Age as an insider but watch out There are unplanned turns wonderful highs and then well I guess you ll have to read that Here s laughter pleasure love and airplanes It s about how TWA and a lovely young lady can steal your heart all so unplanned and unexpected that they can only be ascribed to the Hand of God Mr Swanson s true story continues in Phoenix Duet to be released this Fall **Hollywood on the Hudson** Richard Koszarski, 2008-08-27 In Hollywood on the Hudson Richard Koszarski rewrites an important part of the history of American cinema During the 1920s and 1930s film industry executives had centralized the mass production of feature pictures in a series of gigantic film factories scattered across Southern California while maintaining New York as the economic and administrative center But as Koszarski reveals many writers producers and directors also continued to work here especially if their independent vision was too big for the Hollywood production line *A Few Memories of the Swanson Family* Dena Swanson Sorensen, 1969 *Ready for My Closeup* David M. Lubin, 2025-08-12 For readers of Sam Wasson and Glenn Frankel a cultural history about the making and lasting significance of *Sunset Boulevard* whose piercing and in many ways prophetic critiques of fame continue to resonate today Great films are born of great collaborations and *Sunset Boulevard* represents one of the most extraordinary confluences of cinematic talent in film history but its production was surprisingly fraught filled with unexpected twists Why was William Holden who had never caught fire as a leading man hired to play Joe Gillis after the fastest rising star in the business dropped out at the last minute After Mae West and Mary Pickford turned down the now iconic role of Norma Desmond how did Billy Wilder convince Gloria Swanson who had long been absent from Hollywood at this point to leave her low paying job as a TV talk show host to join the cast From the writers room during Billy Wilder and Charles Brackett s final collaboration to the moment when the film won three Academy Awards scholar and former Rolling Stone staffer David M Lubin takes readers on a fascinating journey through film history that proves once and for all why *Sunset Boulevard* is one of the most iconic films in cinematic history Just in time for the film s 75th anniversary *Ready for My Closeup* breathes life into a beloved masterpiece of American cinema *Gloria Swanson* Richard M. Hudson, Raymond Lee, 1970 Rescued from Mack Sennett s slapstickers Swanson was molded by Cecil B DeMille into a living symbol of glamour Fairly successful on stage and television Swanson was also an excellent businesswoman The brief text in this book sums up her life and provides brief synopses of 66 movies the photographs include stills from her film candid shots and portraits **Go West, Young Women!**

Hilary Hallett,2013-01-15 In the early part of the twentieth century migrants made their way from rural homes to cities in record numbers and many traveled west Los Angeles became a destination Women flocked to the growing town to join the film industry as workers and spectators creating a New Woman Their efforts transformed filmmaking from a marginal business to a cosmopolitan glamorous and bohemian one By 1920 Los Angeles had become the only western city where women outnumbered men In *Go West Young Women* Hilary A Hallett explores these relatively unknown new western women and their role in the development of Los Angeles and the nascent film industry From Mary Pickford s rise to become perhaps the most powerful woman of her age to the racist moral panics of the post World War I years that culminated in Hollywood s first sex scandal Hallett describes how the path through early Hollywood presaged the struggles over modern gender roles that animated the century to come
