Swedish Immigrants in Lincoln's Time Nels Magnus Hokanson,1979 **Swedish Immigrants in Lincoln's Time** Nels Magnus Hokanson,1942 *The A to Z of Sweden* Irene Scobbie,2010-05-11 Once part of the Kalmar Union along with Denmark and Norway the Kingdom of Sweden broke free in order to govern itself in the early 1500s and for more than a century afterwards it was a force to be reckoned with At its peak it was twice the size that it is today but with the secession of Finland in 1809 and the rise of Russia Sweden changed its path and instead turned toward neutrality and a peaceful existence Today Sweden boasts a healthy economy and it is an important member of the European Union as well a major contributor to international activities The A to Z of Sweden relates the history of Sweden through a chronology a list of acronyms and abbreviations an introductory essay a bibliography appendixes and hundreds of cross referenced dictionary entries on significant persons events and institutions this dictionary provides information ranging from politics to economics from education to religion and from music to literature Swedish Exodus Lars Ljungmark,1996-04-01 America fever gripped Sweden in the middle of the nineteenth century seethed to a peak in 1910 when one fifth of the world s Swedes lived in America cooled during World War I and chilled to dead ash with the advent of the Great Depression in 1930 Swedish Exodus the first English translation and revision of Lars Ljungmark s Den Stora Utvandringen recounts more than a century of Swedish emigration concentrating on such questions as who came to America how the character of the emigrants changed with each new wave of emigration what these people did when they reached their adopted country and how they gradually became Americanized Ljungmark s essential challenge was to capture in a factual account the broad sweep of emigration history But often he narrows his focus to look closely at those who took part in this mass migration Through historical records and personal letters Ljungmark brings many of these people back to life One young woman for example loved her parents but loved America more I never expect to speak to you in this life Your loving daughter unto death Like most immigrants she never expected to return Another immigrant wrote back seeking a wife I wonder how you have it and if you are living Are you married or unmarried If you are unmarried you can have a good home with me Ljungmark also focuses closely on some of the leaders Peter Cassel a liberal temperance supporter and free church leader whose community in America prospered Hans Mattson a colonel in the Civil War and founder of a colony in Minnesota Erik Jansson a book burner self proclaimed messiah and founder of the Bishop Hill Colony Gustaf Unonius a student idealist and founder of a Wisconsin colony that faltered The story of Swedish immigrants in the United States is the story in miniature of the greatest mass migration in human history that of thirty five million Europeans who left their homes to come to America It is a human story of interest not only to Swedes but to everyone Historical Dictionary of Sweden Elisabeth Elgán,Irene Scobbie,2015-09-17 Sweden s transformation in the last century was brought about not by the military prowess of exceptional Swedes indeed neutrality has been a key element in Swedish policy for almost two centuries but by the creative ability of its people Sweden

has emerged as a model welfare state and a well ordered democracy to which economists sociologists feminists architects and scientists from sophisticated nations have paid study visits Sweden now depends on international trade to preserve its high standard of living and in a world of harsh international competition often has to struggle to maintain its welfare system and its reputation Despite its present difficulties however it remains one of the world s most advanced and affluent democracies This third edition of Historical Dictionary of Sweden contains a chronology an introduction appendixes an extensive bibliography and a dictionary section with more than 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Sweden **Books on Sweden in English** Susan Larson-Fleming, Lena Daun, Marna Feldt, 1983 The Adjustment of the Swedish Immigrants to the American Public School System in the Northwest Carl Emanuel Carlson, 1949 *A Folk Divided* Hildor Arnold Barton, 1994 What happens to a people when it becomes divided and separated through a great overseas migration how do the two parts of such a divided people relate to each other What ideas do they have regarding each other as the process continues and as time and circumstance cause them to develop in separate ways of their own The purpose of this book is to seek answers to such questions in the case of the Swedes during the period of their great migration between roughly 1840 and 1940 Pref The Old Country and the New Hildor Arnold Barton, 2007 In this collection are seventeen essays and seven editorials by Barton and published in leading journals between 1974 and 2005 The subjects include post World War II Swedish immigration and remigration to Sweden A full bibliography of Barton s publications on Swedish American history and culture is included Provided by publisher **American Swedish Historical Museum: Yearbook 1971** ,
