Schoenfeldt, 1991-08-13 Michael C. Schoenfeldt here offers the first major exploration of the connections between George Herbert's devotional poetry and the social practices and political discourse of his day Viewing The Temple and The Country Parson as part of the larger civilizing process of Western Europe Schoenfeldt shows how Herbert discovers in the discourses of courtesy and theology a common vocabulary of authority selfhood petition and discipline Before entering the priesthood Herbert nourished contacts in court was elected University Orator at Cambridge and served in Parliament In turning to God Schoenfeldt argues Herbert did not simply turn away from the secular world but also turned its language particularly the language of courtesy into the medium for his lyric worship of God The confluence of courtesy and spirituality in Herbert's poetry provides a fascinating insight into a society searching for an appropriate discourse of reverence in a time of baffling change The first five chapters investigate the manifold ways in which Herbert's life and works exemplify the interdependence of social and religious behavior in the English Renaissance The sixth and final chapter extends this investigation into the nervous eroticism of Herbert's poems Considering The Temple as well as Herbert's letters speeches Latin poems collections of foreign proverbs translations The Country Parson and less familiar lyrics Schoenfeldt offers a thorough and detailed reading of Herbert's rich and conflicted corpus Prayer and Power is not only a bold redefinition of the accomplishment of one of the finest poets of the English Renaissance but also the first sustained study to advance a cultural poetics of the religious lyric **The Universe After** Drew Williams, 2020-07-28 This discounted ebundle includes The Stars Now Unclaimed A Chain Across the Dawn The Firmament of Flame The only thing more fun than a bonkers space battle is a whole book packed with bonkers space battles Come for the exploding spaceships stay for the intriguing universe Becky Chambers author of A Long Way to a Small Angry Planet on The Stars Now Unclaimed A hundred years ago a new weapon was deployed to defend a peaceful world but instead a pulse of mysterious radiation spread throughout the galaxy stripping some planets of their technological capabilities and leaving others untouched Now former soldier and mercenary Jane Kamali travels the galaxy recruiting gifted children in an attempt to understand the Pulse and to prevent its return Set in a far future galaxy these three action packed science fiction romps are perfect for fans of Firefly and James S A Corey's Expanse novels The Stars Now Unclaimed Jane Kamali is an agent for the Justified Her mission to recruit children with miraculous gifts in the hope that they might prevent the Pulse from once again sending countless worlds back to the dark ages Hot on her trail is the Pax a collection of fascist zealots who believe they are the rightful rulers of the galaxy and who remain untouched by the Pulse

Paragon Karolina Wloch, 2011-06-17 Dan is dismissed from the militia without warning or reason. At the same time, he is given a message: to take home a village has been burned and the woods are no longer safe. Yet as he and his friends fear for their home, others watch with interest. Ruins have been discovered, people are disappearing, and a man claims to be the reincarnation of the great hero Kato. People wait to see if he will be captured, killed, or become famous. But as Dan flees the danger, he starts to learn why Kato's legacy is so dividing, why it is linked to the fall of an entire race, and why now, of all times, he is having dreams of a life he had never lived.
