divine opportunities for her to travel around the world bringing the love and message of Christ to people in ways that she could never have imagined

Matchmaker's Happy Ending Shirley Jump, 2013-05-07 Matchmaker's happy ending Professional matchmaker Marnie Franklin is delighted when she finally finds a great guy for her widowed mom until she discovers that the man's son is none other than Jack Knight who she blames for destroying her father's business Can Jack make her reconsider what really happened all those years ago **Happy Endings in Hollywood Cinema** James MacDowell, 2013-07-22 Hollywood happy ending has long been considered among the most famous and standardised features in the whole of narrative filmmaking Yet while ceaselessly invoked this notorious device has received barely any detailed attention from the field of film studies This book is thus the first in depth examination of one of the most overused and under analysed concepts in discussions of popular cinema What exactly is the happy ending Is it simply a cliché as commonly supposed Why has it earned such an unenviable reputation What does it or can it mean Concentrating especially on conclusions featuring an ultimate romantic union the final couple this wide ranging investigation probes traditional associations between the happy ending and homogeneity closure unrealism and ideological conservatism testing widespread assumptions against the evidence offered by a range of classical and contemporary films *The Happy Ending Diaries* amany azab, 2012-10-03 we all search for happiness but not all of us reach it we go for a journey that we are not sure of it's end you are invited to live with this young lady her highs and lows during this journey and discover what she reached at the end the happy ending diaries is a 128 pages philosophical poetic novel where a young lady searches for her self proclaimed right of happiness she wants super skills but after her long journey after them she realizes that you don't need such super skills to be happy what u need is see what she reached while reading the novel her fears and feelings are a big part of this book I connect with people from behind my window curtains I stand there and stare at people faces I feel a connection with every sad face May be like me they didn't find what they were looking for or what they were expecting to find Some how some people don't know what they want from this life or what life wants from them Feeling that this isn't my soul's place I don't want anything from this world I want peace to my soul can't

find it anywhere I have been to I have been always alone Even when some one is with me I don't feel them my mind is always passionately traveling to places I have never been to and to words I have never heard My life is like my dreams not lucid vague appearance elusive meaning I wander through it without knowing where it will take me or say throw me to which shore will I survive when I reach there There is nothing called certainty what I know is not certain not vivid some I even unknown I usually don't talk I feel I have to sometimes But that's not one of my strength points But I talk to myself frequently I like talking to myself every time I talk to myself I know something new I get deeper in connection with my soul I don't expect the same from anyone I am so complicated to understand yet so simple to feel I have no presence at all that I never feel welcomed or rejected never feel near or far I feel I was forced to walk my path in life Now I am trying to choose it do I have to follow the crowd's lead to be another sad face in the crowd or is it my fate to keep wandering till the end of the soul's learning capacity which I believe is infinite so I will be wandering infinitely I think I am like a mermaid people believe I exist but I don't

The End Richard John Neupert, 1995 Given the importance that spectators grant to the final moments of a motion picture it is surprising to find so little written on how films end and how audiences interpret those closing moments This study investigates endings in film and the lively role they play in how and why viewers make sense of movies Relying upon contemporary literary criticism and film theory the author analyses narrative strategies in films ranging from the classical Hollywood motion picture to the more modern European art cinema To assist readers in understanding the various functions of endings the films are divided into four critical categories the Closed Text film typical of classical works the Open Story films the Open Discourse film and the Open Text film which struggles to defy story resolution Detailed textual analysis of sample films reveal how all of the devices of filmic narration from mise en scene to soundtracks direct a viewer's perception comprehension and interpretation of closure in films Among the sample films that are featured as test cases for studying endings are *The Quiet Man* Ford 1950 *The 400 Blows* Truffaut 1959 *Weekend* Godard 1967 *Tout va bien* Godard 1972 and *Earth* Dovzhenko 1930 To round out his informative study of endings in films Neupert also examines a host of diverse titles including *Do the Right Thing* Lee 1989 *Open City* Rossellini 1945 and *The Graduate* Nichols 1967
