The Harlem And Irish Renaissances Language Identity And Representation:

The Harlem and Irish Renaissances Tracy Mishkin, 1998 From the foreword A sensitive recuperation of a past cultural moment and a contribution to our current one Mishkin's study both participates in our present national conversation and prepares the way for future ones Looks at literary movements on two different continents and from two different periods and finds significant parallels and interrelations between them The effect is to illuminate both There is no other study like it on this scale Richard Bizot University of North Florida Drawing fascinating comparisons between two literary movements for social justice Tracy Mishkin explores the link between the Irish Renaissance that began in the 1880s and the African American movement of the 1920s known as the Harlem Renaissance Starting with evidence that Ireland's Abbey Theatre tours of the United States before World War I influenced such African Americans as Alain Locke and James Weldon Johnson Mishkin offers the first full scale discussion of the historical similarities and differences of the two movements Both rose from the ashes of history from people suffering years of oppression during which their native languages were lost or stolen to confront issues of language and identity and both had to combat negative mainstream representation of their people all the while debating how to create their own literature Included throughout is the work of women who participated in both movements but who often have been marginalized in their histories Going beyond national boundaries Mishkin takes the study of interracial literary influence across the Atlantic and establishes important parallels between the Harlem and Irish Renaissances Tracy Mishkin is assistant professor of English at Georgia College and State University in Milledgeville and editor of *Literary Influence and African American Writers*

Crossroads Ted Olson, 2007-01-15 C 1 GIFT BY NANCY MCLENDON IN MEMORY OF ELIZAH COLEMAN GLOVER 2 07 2008 20 00 *Transatlantic Renaissances* Kathryn Stelmach Artuso, 2013 The impulses that fired the Southern Literary Renaissance echoed the impetus behind the Irish Literary Revival at the turn of the twentieth century when Ireland sought to demonstrate its cultural equality with any European nation and disentangle itself from English imposed stereotypes Seeking to prove that the South was indeed the cultural equal of greater America despite the harsh realities of political defeat

economic scarcity and racial strife Southern writers embarked on a career to re imagine the American South and to re invent literary criticism Transatlantic Renaissances Literature of Ireland and the American South traces the influence of the Irish Revival upon the Southern Renaissance exploring how the latter looked to the former for guidance artistic innovation and models for self invention and regional renovation While Deleuze and Guattari s model for minor literature refers to minority or regional authors who work within a major language for purposes of subversion Artuso modifies their term along generic and thematic lines to refer to errant female juveniles within subsidiary genres whose nonconformist development threatens to disrupt the dominant patriarchal culture of a region or nation Using the themes of initiation and maturation to anchor the book Artuso analyzes how the volatile development of young women in revivalist texts often reflects or questions larger growth pangs and patterns including the evolution of the literary revival itself and the development of a regional minority group that must work within a dominant culture language and nation while seeking methods of subversion With minor literature as the container for undervalued genres such as popular fiction and short stories often considered an author s juvenilia this work investigates not only how these texts challenge the authoritative claims of the novel but also scrutinizes the renaissance trope of female rebirth as the revivalists often figured cultural national or regional regeneration through the metamorphoses or maturation of female protagonists such as Cathleen n Houlihan Scarlett O Hara and Virgie Rainey Drawing upon New Historical New Critical and postcolonial approaches Artuso examines works by Lady Gregory Margaret Mitchell Eudora Welty Elizabeth Bowen Jean Toomer and James Joyce

American literature and Irish culture, 1910-55 Tara Stubbs, 2015-11-01 American literature and Irish culture 1910 55 The politics of enchantment discusses how and why American modernist writers turned to Ireland at various stages during their careers By placing events such as the Celtic Revival and the Easter Rising at the centre of the discussion it shows how Irishness became a cultural determinant in the work of American modernists It is the first study to extend the analysis of Irish influence on American literature beyond racial ethnic or national frameworks Through close readings and archival research American literature and Irish culture 1910 55 provides a balanced and structured approach to the study of the complexities of American modernist writers responses to Ireland Offering new readings of familiar literary figures including Fitzgerald Moore O Neill Steinbeck and Stevens it makes for essential reading for students and academics working on twentieth century American and Irish literature and culture and transatlantic studies

Anderson,2017-04-11 During the African American cultural resurgence of the 1920s and 1930s professional athletes shared the spotlight with artists and intellectuals Negro League baseball teams played in New York City s major league stadiums and basketball clubs shared the bill with jazz bands at late night casinos Yet sports rarely appear in the literature on the Harlem Renaissance Although the black intelligentsia largely dismissed the popularity of sports the press celebrated athletics as a means to participate in the debates of the day A few prominent writers such as Claude McKay and James Weldon Johnson used sports in distinctive ways to communicate their vision of the Renaissance Meanwhile the writers of the Harlem press promoted sports with community consciousness insightful analysis and a playful love of language and argued for their importance in the fight for racial equality Conjure in African American Society Jeffrey E. sorcerers client based practices in the antebellum South to the postmodern revival of hoodoo and its tandem spiritual supply stores the supernatural has long been a key component of the African American experience What began as a mixture of African European and Native American influences within slave communities finds expression today in a multimillion dollar business In Conjure in African American Society Jeffrey E Anderson unfolds a fascinating story as he traces the origins and evolution of conjuring practices across the centuries Though some may see the study of conjure as a perpetuation of old stereotypes that depict blacks as bound to superstition the truth Anderson reveals is far more complex Drawing on folklore fiction and nonfiction music art and interviews he explores various portrayals of the conjurer backward buffoon rebel against authority and symbol of racial pride He also examines the actual work performed by conjurers including the use of pharmacologically active herbs to treat illness psychology to ease mental ailments fear to bring about the death of enemies and acquittals at trials and advice to encourage clients to succeed on their own By critically examining the many influences that have shaped conjure over time Anderson effectively redefines magic as a cultural power one that has profoundly touched the arts black Christianity and American society overall Encyclopedia of the Jazz Age: From the End of World War I to the Great Crash James Ciment,2015-04-08 This illustrated encyclopedia offers in depth coverage of one of the most fascinating

James Joyce's America Brian Fox, 2019-02-21 James Joyce's America is the first study to address the nature of Joyce's relation to the United States It challenges the prevalent views of Joyce as merely indifferent or hostile towards America and argues that his works show an increasing level of engagement with American history culture and politics that culminates in the abundance of allusions to the US in *Finnegans Wake* the very title of which comes from an Irish American song and signals the importance of America to that work The volume focuses on Joyce's concept of America within the framework of an Irish history that his works obsessively return to It concentrates on Joyce's thematic preoccupation with Ireland and its history and America's relation to Irish post Famine history Within that context it explores first Joyce's relation to Irish America and how post Famine Irish history as Joyce saw it transformed the country from a nation of invasions and settlements to one spreading out across the globe ultimately connecting Joyce's response to this historical phenomenon to the diffusive styles of *Finnegans Wake* It then discusses American popular and literary cultures in terms of how they appear in relation to or as a function of the British Irish colonial context in the post Famine era and concludes with a consideration of how Joyce represented his American reception in the Wake

Fairy-Tale Revivals in the Long Nineteenth Century Abigail Heiniger, 2023-09-12 Volume two explores the way a wide range of classic princess tales written by marginalized writers Rapunzel and Snow White with their pale skin or long ropes of golden hair are particularly popular vehicles for exploring and challenging racialized constructions of beauty Marriage is the traditional vehicle of a happy ending in Princess tales so marginalized responses to these tales also inherently respond to the doubly colonized position of women in the Anglophone world The institution of marriage typically exposes the institutional oppression of colonized women Authors include Charles Chesnutt Jessie Fauset Julia Kavanaugh George Edwards some of the unpublished manuscripts of Jewish Australian author Joseph Jacobs and the earliest work of Sin
