

THE FRAGILE BRIDGE: PATERSON SILK STRIKE 1913

STEVE GOLIN

The Fragile Bridge Paterson Silk Strike 1913

Jan Kok

The Fragile Bridge Paterson Silk Strike 1913:

The Fragile Bridge Steve Golin, 1988 In this full length study of the 1913 Paterson silk strike Steve Golin examines the creative collaboration between the silk workers organizers from the Industrial Workers of the World and Greenwich Village intellectuals Although the strike was defeated this alliance could become a model for the American left because it suggests the possibilities of connecting economic political and cultural struggles Combining perspectives from labor history social history and intellectual history Golin argues that while the silk workers began the 1913 strike and controlled it themselves the IWW helped them create institutions that supported the strike and reinforced its radically democratic character The deadlock in Paterson dictated the need for a bridge to New York that was facilitated by a growing mutual trust between the Wobblies and intellectuals from Greenwich Village At the height of the struggle the IWW and the Village radicals joined the workers in presenting a powerful strike pageant in Madison Square Garden The story of the 1913 silk strike is important because it challenges long held conservative assumptions about labor history including the elitist role of skilled workers the bureaucratic function of union organization and the irrelevance of intellectuals Although the strikers were ultimately defeated the strike's failure had more damaging consequences for the IWW and the intellectuals than for the workers themselves and Golin views this loss as a major turning point for the American left Author note Steve Golin is Professor of History at Bloomfield College in New Jersey

A New Jersey Anthology Maxine N. Lurie, 2010-01-27 This anthology contains seventeen essays covering eighteenth century agrarian unrest the Revolutionary War politics in the Jackson era feminism and the women's movements slavery from the seventeenth to the nineteenth centuries strikes and labor struggles land use and regional planning issues Blacks in Newark the current political state of New Jersey and more The contributors are Michal R Belknap Patricia U Bonomi Lyle W Dorsett John P Dwyer Jim Fisher Charles E Funnell Steve Golin Bradley M Gottfried Paul E Johnson David L Kirp Mark Edward Lender Maxine N Lurie Richard P McCormick Mary R Murrin Larry A Rosenthal Amy Shapiro Warren E Stickle III Lorraine E Williams Giles R Wright

A History of America in Ten Strikes Erik Loomis, 2018-10-02 Recommended by The Nation the New Republic Current Affairs Bustle In These Times An entertaining tough minded and strenuously argued The Nation account of ten moments when workers fought to change the balance of power in America A brilliantly recounted American history through the prism of major labor struggles with critically important lessons for those who seek a better future for working people and the world Noam Chomsky Powerful and accessible A History of America in Ten Strikes challenges all of our contemporary assumptions around labor unions and American workers In this brilliant book labor historian Erik Loomis recounts ten critical workers strikes in American labor history that everyone needs to know about and then provides an annotated list of the 150 most important moments in American labor history in the appendix From the Lowell Mill Girls strike in the 1830s to Justice for Janitors in 1990 these labor uprisings do not just reflect the times in which they occurred but speak directly to the present moment For example we

often think that Lincoln ended slavery by proclaiming the slaves emancipated but Loomis shows that they freed themselves during the Civil War by simply withdrawing their labor He shows how the hopes and aspirations of a generation were made into demands at a GM plant in Lordstown in 1972 And he takes us to the forests of the Pacific Northwest in the early nineteenth century where the radical organizers known as the Wobblies made their biggest inroads against the power of bosses But there were also moments when the movement was crushed by corporations and the government Loomis helps us understand the present perilous condition of American workers and draws lessons from both the victories and defeats of the past In crystalline narratives labor historian Erik Loomis lifts the curtain on workers struggles giving us a fresh perspective on American history from the boots up Strikes include Lowell Mill Girls Strike Massachusetts 1830 40 Slaves on Strike The Confederacy 1861 65 The Eight Hour Day Strikes Chicago 1886 The Anthracite Strike Pennsylvania 1902 The Bread and Roses Strike Massachusetts 1912 The Flint Sit Down Strike Michigan 1937 The Oakland General Strike California 1946 Lordstown Ohio 1972 Air Traffic Controllers 1981 Justice for Janitors Los Angeles 1990

A People's Art History of the United States Nicolas Lampert, 2013-11-05 Most people outside of the art world view art as something that is foreign to their experiences and everyday lives A People's Art History of the United States places art history squarely in the rough and tumble of politics social struggles and the fight for justice from the colonial era through the present day Author and radical artist Nicolas Lampert combines historical sweep with detailed examinations of individual artists and works in a politically charged narrative that spans the conquest of the Americas the American Revolution slavery and abolition western expansion the suffragette movement and feminism civil rights movements environmental movements LGBT movements antiglobalization movements contemporary antiwar movements and beyond A People's Art History of the United States introduces us to key works of American radical art alongside dramatic retellings of the histories that inspired them Stylishly illustrated with over two hundred images this book is nothing less than an alternative education for anyone interested in the powerful role that art plays in our society

Carlo Tresca Nunzio Pernicone, 2010-08-01 An in depth biography of a charismatic labor leader anarchist and early opponent of Italian fascism

The Harbor Ernest Poole, 2011-12-27 Ernest Poole's bestselling muckraking classic about the plight of the worker The best known novel by the winner of the first Pulitzer Prize for fiction Ernest Poole's The Harbor was published in 1915 to instant acclaim and remains his most important book At the heart of the story is Billy an aspiring writer who struggles to reconcile his sympathy for workers with his middle class allegiance to capitalist progress As Billy comes of age on the New York waterfront an eyewitness to explosive tensions between labor and capital that culminate in a violent strike he learns to embrace socialism as the solution to the harbor's seething injustices This novel one of the most direct literary treatments of class warfare is a valuable social history and a powerful testament to Poole's legendary talent

Revolutionary lives of the Red and Black Atlantic since 1917 David Featherstone, Christian Høgshjerg, Alan Rice, 2022-04-05 Revolutionary lives of the Red and Black Atlantic brings to light the life histories of a wide

range of radical figures whose political activity in relation to the black liberation struggle was profoundly shaped by the global impact and legacy of the Russian Revolution of October 1917 The volume introduces new perspectives on the intellectual trajectories of well known figures and critical activists including C L R James Paul Robeson Walter Rodney and Grace P Campbell This biographical approach brings a vivid and distinctive lens to bear on how racialised social and political worlds were negotiated and experienced by these revolutionary figures and on historic black radical engagements with left political movements in the wake of the Russian Revolution

Rebellious Families Jan Kok, 2002 Why do people rebel This is one of the most important questions historians and social scientists have been grappling with over the years It is a question to which no satisfactory answer has been found despite more than a century of research However in most cases the research has focused on what people do if they rebel but hardly ever why they rebel The essays in this volume offer an alternative perspective based on the question at what point families decided to add collective action to their repertoires of survival strategies In this way this volume opens up a promising new field of historical research the intersection of labour and family history The authors offer fascinating case studies in several countries spanning over four continents during the last two centuries In an extensive introduction the relevant literature on households and collective action is discussed and the volume is rounded off by a conclusion that provides methodological and theoretical suggestions for the further exploration of this new field in social history

Wobblies of the World Peter Cole, David Struthers, Kenyon Zimmer, 2017-10-20 The Industrial Workers of the World is a union unlike any other Founded in 1905 in Chicago it rapidly gained members across the world thanks to its revolutionary internationalist outlook By using powerful organising methods including direct action and direct democracy it put power in the hands of workers This philosophy is labeled as revolutionary industrial unionism and the members called affectionately Wobblies This book is the first to look at the history of the IWW from an international perspective Bringing together a group of leading scholars it includes lively accounts from a number of diverse countries including Australia Canada Mexico South Africa Sweden and Ireland which reveal a fascinating story of global anarchism syndicalism and socialism Drawing on many important figures of the movements such as Tom Barker Har Dayal Joe Hill James Larkin and William D Big Bill Haywood and exploring particular industries including shipping mining and agriculture this book describes how the IWW and its ideals travelled around the world

Who Says? William DeGenaro, 2007-01-21 In *Who Says* scholars of rhetoric composition and communications seek to revise the elitist rhetorical tradition by analyzing diverse topics such as settlement house movements and hip hop culture to uncover how communities use discourse to construct working class identity The contributors examine the language of workers at a concrete pour depictions of long haul truckers a comic book series published by the CIO the transgressive fat bodies of Roseanne and Anna Nicole Smith and even reality television to provide rich insights into working class rhetorics The chapters identify working class tropes and discursive strategies and connect working class identity to issues of race gender and sexuality Using a variety of approaches

including ethnography research in historic archives and analysis of case studies Who Says assembles an original and comprehensive collection that is accessible to both students and scholars of class studies and rhetoric

The Fragile Bridge Paterson Silk Strike 1913: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Fragile Bridge Paterson Silk Strike 1913 : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Fragile Bridge Paterson Silk Strike 1913 : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Fragile Bridge Paterson Silk Strike 1913 : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
