Emerging Security Challenges Seung-Whan Choi, 2018-02-16 This book looks into four areas of our world s international security crisis the growing threat of America s homegrown jihadists the continuing rise of terrorism the causes of gross violations of human rights and the pervasiveness of civil war When American jihadists join such international terrorist organizations as the Islamic State of Iraq and Syria and Al Qaeda the danger to security and stability is

often magnified on both global and domestic fronts The global rise of terrorism in turn causes a deterioration in the quality of human rights for politically disadvantaged people or minority groups within a national territory meanwhile the internal crisis created by terrorist violence and human rights violations can expedite the development of civil war which is likely to endanger domestic and international stability Taking a consistent theoretical and empirical approach *Emerging Security Challenges American Jihad Terrorism Civil War and Human Rights* explicates the relationships among these four closely related areas of concern for national security Each chapter presents systematic empirical evidence of security trends for more than 100 sample countries determined using the most current statistical methods and concludes with practical policy recommendations *The ^AOxford Handbook of Peacebuilding, Statebuilding, and Peace Formation* Oliver P.

Richmond, Gëzim Visoka, 2021-05-31 Peacebuilding and statebuilding is one of the main approaches for preventing managing and mitigating global insecurities dealing with the humanitarian consequences of civil wars and expanding democracy and neoliberal economic regimes Peace formation is a relatively new concept addressing how local actors attempt to shape or work in parallel to international and national projects The Oxford Handbook of Peacebuilding Statebuilding and Peace Formation serves as an essential guide to this vast intellectual landscape It offers a systematic overview of conceptual foundations political implications and tensions at the global regional and local levels as well as key policies practices examples and discourses underlining all segments of peacebuilding and statebuilding [The Department of State Bulletin](#)
