Library and Information Services Division,1977 *Biographical Dictionaries and Related Works* Robert B. Slocum,1986 *Black Texas Women: 150 Years of Trial and Triumph* Ruthe Winegarten,2010-07-22 Enriches and complicates African American and women s history by connecting threads of race gender class and region Darlene Clark Hine John A Hannah Professor of History Michigan State University Winner of the Liz Carpenter Award from the Texas State Historical Association Women of all colors have shaped families communities institutions and societies throughout history but only in recent decades have their contributions been widely recognized described and celebrated This book presents the first comprehensive history of Black Texas women a previously neglected group whose 150 years of continued struggle and some successes against the oppression of racism and sexism deserve to be better known and understood Beginning with slave and free women of color during the Texas colonial period and concluding with contemporary women who serve in the Texas legislature and the United States Congress Ruthe Winegarten organizes her history both chronologically and topically Her narrative sparkles with the life stories of individual women and their contributions to the work force education religion the club movement community building politics civil rights and culture The product of extensive archival and oral research and illustrated with over 200 photographs this groundbreaking work will be equally appealing to general readers and to scholars of women s history black history American studies and Texas history Occasionally a book comes along that is monumental in scope overwhelming in amount of research and so powerful in its impact as to be categorized at once as a lasting contribution to our knowledge of humankind Black Texas Women is one of those rare books The Journal of American History Library of Southern Literature: Biographical dictionary of authors Edwin Anderson Alderman,Joel Chandler Harris,Charles W. Kent,1910 **Confederate Generals in the Trans-Mississippi, Vol 1** Lawrence L. Hewitt,Arthur W. Bergeron,Thomas E. Schott,2013-04-30 Until relatively recently conventional wisdom held that the Trans Mississippi Theater was a backwater of the American Civil War Scholarship in recent decades has corrected this oversight and a growing number of historians agree that the events west of the Mississippi River proved integral to the outcome of the war Nevertheless generals in the Trans Mississippi have received little attention compared to their eastern counterparts and many remain mere footnotes to Civil War history This welcome volume features cutting edge analyses of eight Southern generals in this most neglected theater Thomas Hindman Theophilus Holmes Edmund Kirby Smith Mosby Monroe Parsons John Marmaduke Thomas James Churchill Thomas Green and Joseph Orville Shelby providing an enlightening new perspective on the Confederate high command Although the Trans Mississippi has long

been considered a dumping ground for failed generals from other regions the essays presented here demolish that myth showing instead that with a few notable exceptions Confederate commanders west of the Mississippi were homegrown not imported and compared well with their more celebrated peers elsewhere With its virtually nonexistent infrastructure wildly unpredictable weather and few opportunities for scavenging the Trans Mississippi proved a challenge for commanders on both sides of the conflict As the contributors to this volume demonstrate only the most creative minds could operate successfully in such an unforgiving environment While some of these generals have been the subjects of larger studies others including Generals Holmes Parsons and Churchill receive their first serious scholarly attention in these pages Clearly demonstrating the independence of the Trans Mississippi and the nuances of the military struggle there while placing both the generals and the theater in the wider scope of the war these eight essays offer valuable new insight into Confederate military leadership and the ever vexing questions of how and why the South lost this most defining of American conflicts

The Bookmart ,1883 Yearbook of Transnational History Thomas Adam,2021-05-03 The Yearbook of Transnational History is dedicated to disseminating pioneering research in the field of transnational history This fourth volume is focused to the theme of exile Authors from across the historical discipline provide insights into central aspects of research into the phenomenon of exile in the nineteenth and twentieth century Both centuries have seen large numbers of people fleeing revolutions oppression persecution and extermination This volume is the first publication to provide a comprehensive overview over exiles of various political and ethnic groups beginning with the French Revolution and ending with the transfer of Nazi scientists from post World War II Germany to the United States This volume contains contributions about the refugees created by the French Revolution the Forty Eighters who were forced out of Germany after the failed Revolution of 1848 49 the anarchists Emma Goldman and Alexander Berkman Vietnamese anti colonial activists in France the exiles of Nazi Germany and the transfer of Nazi scientists such as Wernher von Braun to the United States after World War II
