The Amg Concise Survey Of The Bible

G. Campbell Morgan

The Amg Concise Survey Of The Bible:

The Amg Concise Bible Survey Harry Adams, 2017-08-15 No man is uneducated who knows the Bible and no man is wise who is ignorant of its teaching Embark on a tour not of a country but of a book the most fascinating and powerful book ever written Since the bible is the Book of books stops are made in each of the sixty six books of the Bible Features of each tour include Authorship of the book Time of writing The theme and purpose To help retention the themes are given in three or four words the first of which begins with the same letter as the book s title History and archaeology Geography including easy to read maps that may be reproduced for instructional purposes An outline of the book An overview of the contents Theological highlights Where to find Christ in that book Old Testament only Key verses and chapters the enduring message of each book Before embarking on our tour three orientation lessons are given that set the tone for the journey These stress that to benefit most from the Bible we must approach it as uniquely God s Book trustworthy because it is true absolutely and revealing Jesus Christ in all its parts Like any tour this one can only give you the highlights of the places we visit But once completed you will be in a better position to visit the books of the Bible in more depth Bon voyage [Amg Concise Survey of the Bible](#)

G. Campbell Morgan, 2014-03-18 This edition of G Campbell Morgan s work has been compiled from the three volumes published in the early 1900s as The Messages of the Books of the Bible We at AMG Publishers have made several changes as we have combined these into one volume This volume contains Morgan s content for both the Old and New Testaments whereas in the previous publications the Old Testament was split into two volumes and the New Testament made the third volume We also have updated the spelling in accordance with how our language has changed over the years However we have not updated the points of current history mentioned by Morgan readers should note that they are from the turn of the century Morgan strives to lay out in simple form what he sees to be the message of each book of the Bible or in some cases the message of more than one book combined The one exception to this is the book of Lamentations for which Morgan did not include a chapter At the beginning of each chapter he outlines the primary message in the form of a chart which he follows as he writes the chapter expounding on his basic points For the Old Testament he breaks each book down into The Permanent Value s and The Living Message His layout for the books of the New Testament contains The Essential Message and The Application The charts are a kind of overview for what the reader shall explore in the chapters **The Amg Concise Survey of the Bible** Harry Adams, 2003-02 The AMG Concise Survey of the Bible helps readers feel more comfortable with the Bible by providing a concise survey written on a high school level in a format that is easy to grasp The convenient introduction and survey of every book in the Bible can be quickly digested and used repeatedly as a quick reference guide **Concise Survey of the Bible** G. Campbell Morgan, 2014-09-02 In Concise Survey of the Bible renowned Bible teacher G Campbell Morgan illuminates the enduring relevance and transformative power of the Old Testament Scriptures Morgan masterfully guides readers through the diverse writings of the Hebrew Bible revealing how these ancient

texts penned by various authors in different times and circumstances are woven together by a single divine Author He demonstrates how the narratives songs and histories of the Old Testament were not only written for their original audiences but also for the benefit of future generations offering timeless lessons and unwavering hope amidst life's challenges and uncertainties *The Substance, Sense, and Sequence of the Scriptures* Keith Freedman, 2019-10-25 If God were to write sixty six books of various lengths and styles and put them all together into one collection what would He say to us What information or content would He record What would be the substance of His writings Would He communicate an overall message through the multiple accounts Would He write a story with a plot and an engaging conflict Would the story have a heroic central character and a murderous lying evil counterpart Would there be a climactic scene a surprise twist in the plot a huge battle and a they all lived happily ever after resolution at the end Would we understand the big picture What would be the sense of the collection of writings Would the order of the books and letters give structure to the overall message and develop the composition Would the placement of the books provide the timeline and assist in the continuity of the account Would the order of the books indicate the progression of the events from beginning to end What would be the significance of the sequence of the record Within the pages of this book one will find that God has written and ordered the Scriptures as a complete composition a record from creation to eternal glory a composition having substance sense and sequence The People of the Bible and the Book of Mormon Michael Jacobazzi, 2012-03-27 The people who were written about in the Book of Mormon have forgotten and abandoned their Jewish culture traditions and customs From the time they left Jerusalem they became New Testament Christians in their ways and actions The Torah and the Book of Mormon are different in their writings The Torah shows a God who delivered them from slavery in Egypt and eventually brought them to live in Canaan They were given laws that would help them in the new land and help them remember God They had a way of life that centered around the Temple in Jerusalem and sacrificial worship The Book of Mormon shows a group of people who were from the tribes of Ephraim and Manasseh but called themselves Jews They left Jerusalem at the urging of God took several years to reach the sea built a ship and sailed to the Americas Upon their arrival they began living Christian rather than Jewish lives The AMG Concise Bible Commentary Don Fleming, Senior Lecturer in Law Don Fleming, 2002-04 When People Read the Bible they are often frustrated by the wide gap in time and culture that separates them from the original readers The aim of the The AMG Concise Bible Commentary is to bridge the gap by providing the sort of information that ordinary readers are looking for in their search for a clearer understanding of the Bible With a clearer understanding the Bible becomes more relevant The AMG Concise Bible Commentary also bridges the gap between a technical Bible commentary and the person who has little technical knowledge when it comes to understanding the Bible The commentary is based on a firm Biblical scholarship but the reader does not have to be a Biblical scholar to understand it It retains its credibility as a reliable reference work yet presents the material in an easy to read and non technical style It is simple but not

simplistic It seeks to be true to the Biblical material while at the same time being helpful to the reader Book jacket
