The Andra Previn Collection:

The Complete Lyrics of Alan Jay Lerner Alan Jay Lerner, 2018 The lyricist behind such enduring classics as *Brigadoon* *Camelot* and *My Fair Lady* Alan Jay Lerner 1918-86 was a consummate craftsman refining his work over and over In this book editors Dominic McHugh and Amy Asch bring to life the stories behind Lerner's oeuvre while also providing alternative or draft versions of his work For the theater lover and scholar alike the book sheds new light on one of musical theater's defining figures

Double Lives: Film Composers in the Concert Hall James Wierzbicki, 2019-02-08 *Double Lives: Film Composers in the Concert Hall* is a collection of fifteen essays dealing with iconic film composers who perhaps to the surprise of many fans of film music nevertheless maintained lifelong careers as composers for the concert hall Featured composers include Erich Wolfgang Korngold Franz Waxman Miklós Rózsa Bernard Herrmann Nino Rota Leonard Rosenman and Ennio Morricone Progressing in chronological order the chapters offer accounts of the various composers' concert hall careers and descriptions of their concert hall styles Each chapter compares the composer's music for films with his or her music for the concert hall and speculates as to how music in one arena might have affected music in the other For each composer discussed in the book complete filmographies and complete works lists are included as appendices *Double Lives: Film Composers in the Concert Hall* is accessible for scholars researchers and general readers with an interest in film music and concert music

Taking a Chance on Love George Harwood Phillips, 2019-09-19 When his friend George Gershwin persuaded Vladimir Dukelsky to change his name to Vernon Duke what the music world already knew became apparent to the public at large the man had two musical personas one as a composer the other as a tunesmith One wrote highbrow music the other lowbrow Yet the two sides complemented each other Neither could function without the other Born and classically trained in imperial Russia Vladimir Dukelsky 1903-1969 fled the Bolshevik Revolution with his family discovered American popular music in cosmopolitan Constantinople and pursued his budding interest to New York before his passion for classical music drew him to Paris where the impresario Serge Diaghilev hired him to compose a ballet for the Ballets Russes *Taking a Chance on Love* immerses us in Duke's dizzying globe hopping and genre swapping as financial concerns and musical passions drive him from composing symphonies to writing songs from brilliant successes to Broadway flops and from performing with classical performers to writing books and articles Throughout as he crisscrosses the landscape of American music collaborating with lyricists such as Howard Dietz Ira Gershwin and Sammy Cahn the incomparable Vernon Duke emerges clearly from these pages sometimes charming sometimes infuriating always entertaining Although Vernon Duke has entered the canon of American standards with such songs as *Taking a Chance on Love* *I Can't Get Started* and *April in Paris* little is known about the composer with two personas *Taking a Chance on Love* brings the intriguing double life of Dukelsky/Duke back into the spotlight restoring a chapter to the history of the Great American Songbook and to the story of twentieth century music

Not That You Asked Mark Randall, 2001-05-29 Collected writings on booze smoking society education art

and various other things on the decline by the irreverent provocative and occasionally witty Philadelphia columnist Excerpts from Mark Randall s Not That You Asked On smoking it is a shame we are content with this tedious non debate about which is better virtue or vice instead of the really more interesting topic namely the relative virtues to be found among the available vices On identity politics proponents of identity politics are not really offended by racial inferences they would only prefer that all of the inferences be complimentary On city living Look upon your stolen wreaths as a kind of donation to the poor and you see that what you lose in Hope you gain in Charity In fact since Charity is regarded as the greatest of virtues you may flatter yourself to be exchanging your Hope at a profit On religion anti Papism is one of those activities that s probably best left to Catholics On the French I have always tried to defend the French against the usual criticisms but it is difficult work hampered right at the outset by the fact that most of the usual criticisms are true On his own problems But how do I reconcile a life that fades out with me typing alone in the basement instead of on a terrace in Majorca on the phone to a producer occasionally waving down to Francesca who is sunning herself nude on the pier Billboard ,2000-11-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends All Music Guide Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre **Billboard** ,2000-11-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Music in the 20th Century (3 Vol Set)* Dave DiMartino,2016-04-15 This is an examination of the crucial formative period of Chinese attitudes toward nuclear weapons the immediate post Hiroshima Nagasaki period and the Korean War It also provides an account of US actions and attitudes during this period and China s response Martin of Tours Collection ,1986 **American Universities and Colleges** ,2014-10-08 No detailed description available for American Universities and Colleges **Susan Hayward** Kim R.
