**The Myth of the Great Ending** Joseph M. Felser, 2025-09-12 From Christian believers in the Apocalypse and the Rapture to New Age enthusiasts of prophecies concerning the year 2012 Doomsday lore has been a part of culture a myth that colors how we perceive the world Why do we remain obsessed with Doomsday myths even when they fail to materialize What if we haven't recognized the true message of these myths Blending history psychology metaphysics and story philosopher and author Joseph Felser explores the spiritual questions raised by these enduring myths Along the way he consults the work of Joseph Campbell Carl Jung Marie Louise von Franz Black Elk Wovoka Itzhak Bentov Jane Roberts Seth Hermann Hesse Ingo Swann

David Bohm Fred Alan Wolf J Allen Boone William James and Robert Monroe through ever widening circles of understanding Felser suggests that our obsession with The End of the World hides a repressed healthy longing for reconciliation with our inner and outer worlds with nature and our own natural spirituality He urges us to recognize and act upon that longing When we begin to listen to nature s voice and pay heed to our own dreams including visions intuitions and instinctive promptings the greatest revolution in all history will unfold We can create a future of our own choosing a beginning rather than an ending

*Science and the Paranormal* Arthur J. Ellison, 2020-01-07 Ellison was a dedicated paranormal researcher who believed the science was too narrow to account for things like out of body experiences io9 In facts not fiction this book presents the case for the paranormal Changing the way we look at the universe is not easy and requires a true openness to exploration and experiment Professor Ellison suggests that most of us are conditioned by our Western science based education to think that the universe is much simpler and material than it really is He argues that we should recognize the limits of the current scientific worldview that fails to account for genuine paranormal experiences including phenomena such as out of body experiences OBE reliably reported by thousands of people Science and the Paranormal is part of The Paranormal a series that resurrects rare titles classic publications and out of print texts as well as publishes new supernatural and otherworldly ebooks for the digital age The series includes a range of paranormal subjects from angels fairies and UFOs to near death experiences vampires ghosts and witchcraft A most valuable work and a lasting testimony to the author s remarkable contribution to the field Bernard Carr Scientific and Medical Network Review Written for the lay person in down to earth language this book is for those who want a broad brush of matters like the evidence for telepathy near death experiences survival research etc without having to plough through a century high stack of scientific papers A welcome introduction to human nature s further reaches Christian Parapsychologist

*The Haunting of Twentieth-Century America* William J. Birnes, Joel Martin, 2011-09-13 In this sequel to The Haunting of America national bestselling authors Joel Martin and William J Birnes bring up to the present the story of how paranormal events influenced and sometimes even drove political events In unearthing the roots of America s fascination with the ghosts goblins and demons that possess our imaginations and nightmares Martin and Birnes show how the paranormal has driven America s political public and military policies The authors examine the social history of the United States through the lens of the paranormal and investigate the spiritual events that inspired momentous national decisions UFOs that frightened the nation s military into launching nuclear bomber squadrons toward the Soviet Union out of body experiences used to gather sensitive intelligence on other countries and even spirits summoned to communicate with living politicians The Haunting of Twentieth Century America is a thrilling evidencebased exploration of the often unexpected influences of the paranormal on science medicine law the government the military psychology theology death and dying spirituality and pop culture At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied
