Thomas Gould

The Ancient Quarrel Between Poetry And Philosophy:

The Ancient Quarrel Between Poetry and Philosophy Thomas Gould, 2014-07-14 Affecting audiences with depictions of suffering and injustice is a key function of tragedy and yet it has long been viewed by philosophers as a dubious enterprise. In this book Thomas Gould uses both historical and theoretical approaches to explore tragedy and its power to gratify readers and audiences. He takes as his starting point Plato's moral and psychological objections to tragedy and the conflict he recognized between poetry, the exploitation of our yearning to see ourselves as victims, and philosophy, the insistence that all good people are happy. Plato's objections to tragedy are shown to be an essential feature of Socratic rationalism and to constitute a formidable challenge even today. Gould makes a case for the rightness and psychological necessity of violence and suffering in literature, art, and religion, but he distinguishes between depictions of violence that elicit sympathy only for the victims and those that cause us to sympathize entirely with the perpetrators. It is chiefly the former, Gould argues, that fuel our responses not only to true tragedy but also to religious myths and critical displays of political rage. Originally published in 1990, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Ancient Quarrel Between Philosophy and Poetry Raymond Barfield, 2011-01-31 From its beginnings, philosophy's language, concepts, and imaginative growth have been heavily influenced by poetry and poets. Drawing on the work of a wide range of thinkers throughout the history of Western philosophy, Raymond Barfield explores the pervasiveness of poetry's impact on philosophy and conversely how philosophy has sometimes resisted or denied poetry's influence. Although some thinkers like Giambattista Vico and Nietzsche praised the wisdom of poets and saw poetry and philosophy as mutually beneficial pursuits, others resented, diminished, or eliminated the importance of poetry in philosophy. Beginning with the famous passage in Plato's *Republic* in which Socrates exiles the poets from the city, this book traces the history of the ancient quarrel between philosophy and poetry through the works of thinkers in the Western tradition, ranging from Plato to the work of the contemporary thinker Mikhail Bakhtin.

The Ancient Quarrel between Philosophy and Poetry Revisited Susan B. Levin, 2000-12-07 In this study, Levin explores Plato's engagement with the Greek literary tradition in his treatment of key linguistic issues. This investigation, conjoined with a new interpretation of the *Republic*'s familiar critique of poets, supports the view that Plato's work represents a valuable precedent for contemporary reflections on ways in which philosophy might benefit from appeals to literature.

The Quarrel Between Philosophy and Poetry Stanley Rosen, 2014-06-03 Now available in paperback, *The Quarrel Between Philosophy and Poetry* focuses on the theoretical and practical suppositions of the long-standing conflict between philosophy and poetry. Stanley

Rosen one of the leading Plato scholars of our day examines philosophical activity questioning whether technical philosophy is a species of poetry a political program an interpretation of human existence according to the ideas of 19th and 20th century thinkers or a contemplation of beings and Being *The Ancient Quarrel Between Poetry and Philosophy* Thomas Gould, *The Quarrel Between Poetry and Philosophy* John Burns, Matthew Flamm, William Gahan, Stephanie Quinn, 2020-09-27 The Quarrel Between Poetry and Philosophy Perspectives Across the Humanities is an interdisciplinary study of the abiding quarrel to which poet philosopher Plato referred centuries ago in the Republic The book presents eight chapters by four humanities scholars that historically contextualize and cross interpret aspects of the quarrel in question The authors share the view that although poets and philosophers continually quarrel a harmonious union between the two groups is achievable in a manner promising application to a variety of contemporary cultural political and aesthetic debates all of which have implications for the current status of the humanities **The Ancient Quarrel Between Philosophy and Poetry** Christine Lynn Clarkson, 1991 *The Ancient Quarrel Between Philosophy and Poetry* Richard Kannicht, 1988

Platonic Coleridge James Vigus, 2017-12-02 The ambivalent curiosity of the young poet Samuel Taylor Coleridge 1772 1834 towards Plato but I love Plato his dear gorgeous nonsense soon developed into a philosophical project and the mature Coleridge proclaimed himself a reviver of Plato s unwritten or esoteric systems James Vigus s study traces Coleridge s discovery of a Plato marginalised in the universities and examines his use of German sources on the divine philosopher and his Platonic interpretation of Kant s epistemology It compares Coleridge s figurations of poetic inspiration with models in the Platonic dialogues and investigates whether Coleridge s esoteric system of philosophy ultimately fulfilled the Republic s notorious banishment of poetry *The Cambridge Companion to Plato's Republic* Giovanni R. F. Ferrari, 2007 This book provides a fresh and comprehensive account of this outstanding work which remains among the most frequently read works of Greek philosophy indeed of Classical antiquity in general
