The Arabs And Zionism Before World War I:

The Arabs and Zionism Before World War I Neville J. Mandel, 1976 **Arabs and Jews in Ottoman Palestine** Alan Dowty, 2020-03-04 The historian and expert on Israeli Palestinian relations offers a well written well balanced account of cultural conflicts in the region before WWI Anita Shapira author of *Israel A History* When did the Arab Israeli conflict begin Some discussions focus on the 1967 war some go back to the creation of the state of Israel in 1948 and others look to the beginning of the British Mandate in 1922 Alan Dowty however traces the earliest roots of the conflict to the Ottoman Empire in the 19th century arguing that this historical approach highlights constant clashes between religious and ethnic groups in Palestine Dowty demonstrates that during the 19th century there was an overwhelming hostility to European foreigners and that Arab residents viewed new Jewish settlers as European He also shows that Jewish settlers had tremendous incentive to minimize all obstacles to settlement including the inconvenient hostility of the existing population Dowty's thorough research reveals how events that occurred over 125 years ago shaped the implacable conflict that dominates the Middle East today

Jews and Palestinians in the Late Ottoman Era, 1908-1914 Fishman Louis Fishman, 2019-11-27 Uncovering a history buried by different nationalist narratives Jewish Israeli Arab and Palestinian this book looks at how the late Ottoman era set the stage for the on going Palestinian Israeli conflict It presents an innovative analysis of the struggle in its first years when Palestine was still an integral part of the Ottoman Empire And it argues that in the late Ottoman era Jews and Palestinians were already locked in conflict the new freedoms introduced by the Young Turk Constitutional Revolution exacerbated divisions rather than serving as a unifying factor Offering an integrative approach it considers both communities together and separately in order to provide a more sophisticated narrative of how the conflict unfolded in its first years **A History of the Arab-Israeli Conflict** Ian J. Bickerton, Carla L. Klausner, 2016-09-16 Concise and comprehensive A History of the Arab Israeli Conflict presents balanced impartial and well illustrated coverage of the history of the Arab Israeli conflict The authors identify and examine the issues and themes that have characterized and defined the conflict over the past century tying in a twenty first century perspective The seventh edition exposes readers to recent events in the Middle East Altering relations between Israel and neighboring states political and religious uncertainty as a result of the Arab Spring and the increased scrutiny of Iran's nuclear program are explored in this updated edition In Ishmael's House Martin Gilbert, 2010-08-24 In this epic examination a celebrated historian explores the evolution of Judaism and Islam through a lens of Middle Eastern stability Publishers Weekly The relationship between Jews and Muslims has been a flashpoint that affects stability in the Middle East with global consequences In this eloquent book Martin Gilbert presents a fascinating account of the hope and fear that have characterized these two peoples through the 1 400 years of their intertwined history Harking back to the Biblical story of Ishmael and Isaac Gilbert takes the reader from the origins of the fraught relationship the refusal of Medina's Jews to accept Mohammed as a prophet through the ages of the Crusader reconquest of the Holy Land and the

great Muslim sultanates to the present day He explores the impact of Zionism in the early twentieth century the clash of nationalisms during the Second World War the mass expulsions and exodus of 800 000 Jews from Muslim lands following the birth of Israel the Six Day War and the political sensitivities of the current Middle East Ishmael s House sheds light on a time of prosperity and opportunity for Jews in Muslim lands stretching from Morocco to Afghanistan with many instances of Muslim openness support and courage Drawing on Jewish Christian and Muslim sources Gilbert uses archived material poems letters memoirs and personal testimony to uncover the human voice of this centuries old conflict Ultimately Gilbert s moving account of mutual tolerance between Muslims and Jews provides a perspective on current events and a template for the future A reliable source and a pleasure to read Herman Wouk Pulitzer prize winning author of *The Caine Mutiny* Moving and important *The Independent* [Early Arab-Zionist Negotiation Attempts, 1913-1931](#) Neil Caplan,2013-09-05 Part of series that aims to provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between the first and second Arab Israeli wars It exploits a range of available archive sources as well as extensive secondary sources *Futile Diplomacy - A History of Arab-Israeli Negotiations, 1913-56* Neil Caplan,2021-03-04 These four volumes provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between 1913 and 1956 Exploiting a range of available archive sources as well as extensive secondary sources they provide an authoritative analysis of the positions and strategies which the principal parties and the would be mediators adopted in the elusive search for a stable peace The text of each volume comprises both analytical historical chapters and a selection of primary documents from archival sources providing an essential reference source for the student of the Arab Israeli conflict and its long history

Palestine's Christians and the Nationalist Cause Erik Freas,2024-12-23 This book provides an historical overview of Palestine s Christian communities and their role in the Palestinian nationalist movement during the late Ottoman and British mandatory periods More than being a history of Palestine s Christian Arabs the book focuses on Palestine s Christians during the formative period of Palestinian Arab national identity attentive to the broader topic of the relationship between nationalism and religion in this case between Arab identity and Islam Whereas until recently historians have tended to assume that national and religious identities are distinct and mostly mutually exclusive things more recent scholarship has addressed the fact that often there exists considerable overlap between the two though it should be noted often in ways that are not by any means inherently exclusive of those not belonging to the majority faith as is the case here The relationship is also an ever changing one hence the final chapter of the book which functions as something of an epilogue regarding the current status of Palestine s Christians vis vis their place in the nationalist cause and relationship with the broader Muslim population The book will be of interest to historians and scholars focused on the modern Middle East Palestinian history Muslim Christian inter communal relations and the relationship between nationalism and religion [Israel Country Study Guide Volume 1 Strategic Information and Developments](#) IBP, Inc,2012-03-03 [Israel Country Study Guide Strategic](#)
