Step Into Chaos:

Seizing the Nonviolent Moments Nancy Small, 2015-01-08 Life is filled with opportunities to practice nonviolence. If we kept track we'd be surprised at how often we get to choose a violent or nonviolent response to a given situation. Seizing these moments is a spiritual practice that shapes a nonviolent heart. Many people doing this together shapes the heart of a nonviolent world. This book is a humble and accessible approach to nonviolence based on the belief that no one is perfectly nonviolent. We are all works in progress. Each chapter presents an imaginative interpretation of a scripture story about seizing a nonviolent moment that sheds new light on nonviolence and its spirituality. Stories of contemporary peacemakers woven throughout offer lessons for living a spirituality of nonviolence for our times. Prophetic words from the US Catholic bishops emphasize the essential role of peacemaking in renewing the earth. Questions following each chapter inspire personal reflection and make the book a welcome resource for classrooms, parishes, and small groups. The more we seize the nonviolent moments in our lives, the more we are transformed by them. And the more we experience the power of nonviolence within ourselves, the more we believe in its potential to transform our troubled world.

Path of the Swan: The Maitreya Chronicles Charu Singh, 2014-04-15 A moment of intense silence followed and then the Rigden spoke up his voice even. You have all been called today before the sacred court and from now in every breath in every heartbeat in the shadow of every moment in the intensity of the thoughtless state in life and in not life in physical or subtle form we declare you our emissaries, our sacred envoys to the world of men. Shambhala has a task for you. Lama Ozer and his novitiate Tashi leave the hidden monastery where they have lived all their lives in answer to a call from the legendary kingdom of Shambhala received by the lama while deep in trance. Battling the freezing cold and snow of high mist-laden mountain passes and the many evil forces that thwart their progress, they trek through Sikkim and Tibet to arrive at the Silver Fortress. Here they meet a host of divine and dark celestial beings including the golden dakini Yeshe Nam Lha, daughter of the Goddess Tara, Prince A Karo, heir to the Lha Empire, and Prince Narasimha, heir to the Rigdens and the Shambhala legacy. Both the princes are Yeshe's guardians and suitors, and she must travel with them to Earth where it is decreed that her child Maitreya, the saviour, will be born. But before that happens, they have the Asur forces to combat and the dark prince Arden, who holds Yeshe captive, enthralled by his brooding menace, bewitched by his spell. Drawing richly from the vast pantheon of otherworldly beings that populate the myths of the Mahayana school of Buddhism, *Path of the Swan*, the first part of the surreally beautiful Tibetan Buddhist fantasy series *The Maitreya Chronicles*, is a mesmerizing saga of the battle between celestials and dark forces and the descent of the celestials to Earth.
