

STEPHEN HERO

JAMES JOYCE

Stephen Hero is an early version of Joyce's *Portrait of the Artist as a Young Man*, probably completed about 1888. It is said that when the manuscript came back to Joyce after rejection by the twentieth publisher to whom it was submitted, he threw it into the fire, from which his wife was able to rescue only a portion of the whole work. Fortunately the surviving pages give us a long, unexcised portion of the original—a sequence complete in itself—which is here presented through the courtesy of the Harvard College Library. It is edited by Thomas Spurgeon.

This text version differs extensively from the published text of the *Portrait* both in the content and its treatment. It includes many characters and incidents later cut for the sake of compression. *Stephen Hero* is more an autobiography of Joyce and less an objectified novel. As such it throws valuable new light on the development of his extraordinary genius. And as a human document it is profoundly moving—the record story of a sensitive and brilliant young Irishman's struggle against the oppressive bourgeois and religious conventions of the Dublin of his day. The manuscript begins about a year before Joyce enters the National University and breaks off just as his emancipation from all that the University implies reaches a kind of climax. The love interest, only briefly sketched in the *Portrait*, is developed at some length in *Stephen Hero*, and there is also much detailed material about Joyce's family background.

James Joyce

Stephen Hero 1st Edition New Directions 1944:

Stephen Hero James Joyce, 2015-03-03 *Stephen Hero* is an early version of Joyce's *A Portrait of the artist as a Young Man*. It was originally rejected on grounds of indecency so the story goes by twenty publishers whereupon Joyce threw the manuscript in the fire but Mrs Joyce rescued several unburnt portions. Although Joyce later entirely rewrote his novel of a young Irishman's rebellion against church, country and family, this early version is beautifully composed, the mood being more discursive and personal than in *A Portrait*. Many episodes later cut for the sake of good novelistic form, especially autobiographical episodes of sensual and family life, are fully presented with some of the most vivacious dialogue Joyce ever wrote. Between them, the two versions give us a clear example of Joyce's literary development as well as many details of his life. This edition of *Stephen Hero* for the first time printed the five missing pages of the novel found among the papers in the Joyce Collection of the Cornell University Library. These pages fill gaps in the text as edited in 1956 by John J. Slocum and Herbert Cahoon and also extend the narrative. The main text of *Stephen Hero* is a connected, nearly self-contained passage of 383 manuscript pages which turned up soon after Joyce's death. It was first edited by Theodore Spencer and published by New Directions in 1944. In this edition, introductions by the successive editors discuss the literary and bibliographical aspects of this important early work by one of the great modern masters.

It consists of three parts: the primary bibliography which includes separate bibliographies of Joyce's major works, of scholarly editions or collections of his works, of his letters and of concordances to his works; the secondary bibliography which includes bibliographies of bibliographical, biographical and critical works concerning Joyce generally or his individual works and major foreign language studies. This title will be of interest to students of literature. *May Sinclair* Rebecca Bowler, 2016-12-05 *May Sinclair* was a bestselling author of her day whose versatile literary output including criticism, philosophy, poetry, psychoanalysis and experimental fiction now frequently falls between the established categories of literary modernism. In terms of her contribution to dominant modernist paradigms, she was until recently best remembered for recasting the psychological novel as stream of consciousness narrative. In a 1918 review of Dorothy Richardson's *Pilgrimage*, This book brings together the most recent research on Sinclair and re-contextualises her work both within and against dominant Modernist narratives. It explores Sinclair's negotiations between the public and private, the cerebral and the corporeal and the spiritual and the profane in both her fiction and non-fiction. **James Joyce** Southern Illinois University at Carbondale.
