Ward Powers, 2009-01-01 In most areas of this Epistle B Ward Powers has come to share the interpretation of Paul's meaning held by the Early Church Fathers although he explains and expounds those views This is particularly the case in relation to

chapters 12 through 14 where in keeping with the Early Church Fathers the Reformers most Scripture expositors until recent times and many present day exegetes Powers expounds the interpretation that tongues refers to human languages spoken on earth The one major area where Powers parts company with the Fathers of the first Christian centuries is in relation to matters of sex and marriage divorce and remarriage and attitudes to women generally Here Powers explains that Paul is more affirming of sex marriage and remarriage and women than many early writers and some modern writers have understood him to be We need at times to take considerable care he writes to understand the meaning of what Paul says to the Corinthians and in coming to terms with how this teaching is to apply to us in today s world But when we have arrived at our understanding of these things then there is no question this is the Word of God to us and we must take it very seriously indeed We cannot just dismiss it offhandedly and simply say Well that is just Paul s opinion and we can take it or leave it Not at all Paul has explained clearly that what he writes comes with the inspiration and authority of the Holy Spirit of God

Can We Still Believe the Bible? Craig L. Blomberg, 2014-04-01 Challenges to the reliability of Scripture are perennial and have frequently been addressed However some of these challenges are noticeably more common today and the topic is currently of particular interest among evangelicals In this volume highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible s reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before As he traces his own academic and spiritual journey Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture offering a positive informed and defensible approach **The Man Christ Jesus** Bruce A. Ware, 2012-11-30 Liberal attacks on the doctrine of

the divinity of Christ have led evangelicals to rightly affirm the centrality of Jesus s divine nature for his person and work At times however this defense of orthodoxy has led some to neglect Christ s full humanity To counteract this oversight theologian Bruce Ware takes readers back to the biblical text where we meet a profoundly human Jesus who struggled with many of the same difficulties and limitations we face today Like us he grew in faith and wisdom tested by every temptation common to man And like us he too received power for godliness through the Holy Spirit and thus serves not only as the divine Lord to be worshiped but also the supreme Human to be followed *The Bible in American Life* Philip Goff, Arthur E. Farnsley II, Peter J. Thuesen, 2017-03-01 The Bible in American Life is a sustained collaborative reflection on the ways Americans use the Bible in their personal lives It also considers how other influences including religious communities and the internet shape individuals comprehension and engagement with scripture **Isaiah** Rev. Geoffrey W. Grogan, 2017-03-07 Continuing a Gold Medallion Award winning legacy the completely revised Expositor s Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor s Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC
