Still Waters Run Deep:

Still Waters Run Deep Derek Reeves, 2008 *Still Waters Run Deep* is the inspiring true story of a misguided youth who is placed in a juvenile psychiatric facility at the age of fifteen after being arrested and charged with breaking and entering. There he finds faith in Christ which enables him to overcome the hardship with which he is faced and graduate from high school with honors. After graduating from Charles Evans Hughes High School in 1981, author Derek Reeves went on to obtain a bachelor's degree in American history and a master's degree in theological studies. Anyone genuinely interested in understanding the crisis of young black males during the 1960s and 70s will enjoy reading Derek's book, as will anyone who has ever been on the wrong side of the law and achieved salvation from a life of sin. This book will also appeal to anyone interested in understanding the experience of black students at historically white schools. In the context of talking about his struggle to overcome juvenile delinquency and a dysfunctional family, the author explores the doubts, fears, and perplexities related to being schooled with white children and having a turbulent family life. His writing is honest and self-disclosing, his perceptions keen and discerning. **Still Waters Run Deep** Delton Collins, 2008-12-01 **Still Waters Run Deep** Suzanne Knoebel, 2004 This is a novel about love lost and love found, families lost and families regained, and the choices and sacrifices we make to pursue a meaningful life. The story centres around the efforts of Eric and Sandra to create Royal Heights, a gap health care facility for people discharged from the hospital but too sick to go home. Combined with this timely story of healthcare issues are the lives and loves of Sandra, Eric, and their circle of friends facing problems that range from drug addiction to romantic entanglements to organised crime and financial intrigues. The tropical paradise of Hawaii provides an exotic setting, and the author's deft prose evokes the warm, laid-back island lifestyle. In this novel of romance, mystery, and commitment to an ideal. **Still Waters Run Deep** Aliya Cooper, 2016-10-03 Life is a journey. *Still Waters Run Deep* takes us through the past and the present of one woman as she travels through this unexpected, cruel, and miraculous world to find herself and hopefully to find something more, a future and happiness. **Still Waters Run Deep** Michael J. Manley, 2018-05-02 There's more than meets the eye when it comes to serial killers. Some are captured and sentenced to death, while others still lurk in communities throughout the world. Author Michael J. Manley contends that you can't truly write about something unless you experience it yourself. He lived in the same neighborhood of one of the most notorious serial killers in Los Angeles and he visited Springfield, Massachusetts, where nine serial killings were committed. He writes of the pain and horror that entire communities experience as two contemporary serial killers, on opposite ends of the country, leave their dead to be found in bodies of water or alleyways. Based on true stories, the novel *Still Waters Run Deep: The Tales of Two Cities That Suffered from Serial Killings* (Springfield, Massachusetts; Los Angeles, California) delves into the behaviorism that serial killers have in common. What is it that drives these mass murderers to kill? *Still Waters* is a must-read for those who need to know the mystery inside the murderous minds of serial killers. **Still Waters Run Deep** Tom Taylor, 1857 **Still**
