Save Your Inner Tortoise! Carol Courcy, 2012-01-20 On the cover of Carol Courcys SAVE YOUR INNER TORTOISE is a photo of a tortoise wearing a helmet a large red rocket strapped to its back and wheels Carol laughed when seeing it for the first time as it fit with how she felt in her own life a bit exhausted by life's demands and in need of protection as the helmet suggests It

was the rocket strapped to its back that compelled her to use the image on the cover Those of us who hectically push our way through life need boosters to get ourselves through our many tasks and responsibilities Boosters like caffeine sugar long workdays working on weekends and vacations or fitness classes to build stamina Carol thought many of her readers would find the cover humorous and a reminder of Aesops fable about who won the race between the tortoise and the hare If you recall the story is about a hare who ridicules a slow moving tortoise Surprisingly the tortoise challenges the hare to a race When the race starts the hare speeds off leaving the tortoise far behind Confident of winning the hare takes a nap midway through the race However when it awakes the hare sees the tortoise crawling slowly but steadily across the finish line Only then does the hare realize the error of its strategy Like the hare we exhausted self sacrificing never enough overachievers assume that at our furious pace we can cross an ever increasing number of finish lines We will get help or rest soon And soon hasnt come yet As with the hare we too sometimes find out too late we have used the wrong strategy Is now the time to SAVE YOUR INNER TORTOISE This is an ideal book if more of the same in your life is NOT an option You will learn simple and effective ways to undermine undesirable patterns of self doubt and second guessing that fuel exhaustion and overwhelm The aim is to make your journey across your finish lines satisfying RIGHT FROM THE BEGINNING If you bring genuine interest leave the WHAT and HOW to Carol Welcome *Step by Step Book 3 Teacher's Guide* Gill Matthews, 2018-03-26 All you need to encourage a love and enthusiasm for reading and writing from a young age Benefit from the experience of key educators across the Caribbean regions who have carefully designed this resource to give your students exactly the right introduction to the Language Arts curriculum Ensure a steady transition from Creole to Standard English with an introductory section on language acquisition in the Teacher Guides called Language Strategy Cover technicality of grammar vocabulary and syntax using picture cues and writing as well as reading and reading comprehension Offer exposure to many different forms of text with a variety of different text types and genres Connect reading and writing with templates to make sure that students don't fall behind and progress evenly with both This book accompanies the Step by Step Student's Book 3 9781510414174
