The Dark Side of Stand-Up Comedy Patrice A. Oppliger, Eric Shouse, 2020-04-10 This book focuses on the dark side of stand up comedy initially inspired by speculations surrounding the death of comedian Robin Williams Contributors those who study humor as well as those who perform comedy join together to contemplate the paradoxical relationship between tragedy and comedy and expose over generalizations about comic performers troubled childhoods addictions and mental illnesses The book is divided into two sections First scholars from a variety of disciplines explore comedians onstage performances their offstage lives and the relationship between the two The second half of the book focuses on amateur and lesser known professional comedians who reveal the struggles they face as they attempt to hone successful comedy acts and likable comic personae The goal of this collection is to move beyond the hackneyed stereotype of the sad clown in order to reveal how stand up comedy can transform both personal and collective tragedies by providing catharsis through humor

Where Did I Go Right? Bernie Brillstein, 2008-01-01 Beginning in the William Morris mail room in 1955 Bernie Brillstein wanted only three things to walk into a restaurant and have people know who I am to be the guy who gets the phone calls and doesn't have to make them to represent the one performer people must have Throughout his long career at the top of the entertainment industry as TV and movie producer agent and brilliant personal manager Brillstein has accomplished it all *Where Did I Go Right?* is Brillstein's street smart funny and thoroughly human story of a life in show business With his trademark wit and candor he speaks out for the first time about his feud with Mike Ovitz and how it felt to pass the leadership of his company to his partner Brad

Grey and no longer be the king He describes his close relationship with John Belushi and what it was like being alone with Belushi's body as it lay stretched out across two cramped seats in a tiny jet wrapped up in a body bag on the way to his funeral He shares stories about Jim Hensen and Gilda Radner about Lorne Michaels and the early days of Saturday Night Live He takes us behind the scenes at such hits as The Blues Brothers Ghostbusters and The Muppet Show Brillstein also reveals his secrets about how to survive and prosper in Hollywood the real meaning of the art of the deal the difference between hot and good and why instinct is so crucial to the future of the entertainment industry Becoming successful is the most fun of all I'm not talking about being successful or staying successful I mean the getting there the instant you arrive and for the first time you think Where did I go right After eight years Phoenix Books is re-releasing this bestseller with an updated epilogue from Bernie Brillstein entitled Still going right Videos that Teach 4 Doug Fields, Eddie James, 2005 Providing a format that engages students to discuss real world issues this book features 75 teachable moments from recent movies available on video that can be used to illustrate topics Ideal for youth pastors and Sunday school teachers

Official Gazette of the United States Patent and Trademark Office United States. Patent and Trademark Office, 2001 *Born Standing Up* Steve Martin, 2008-09-04 Steve Martin has been an international star for over thirty years Here for the first time he looks back to the beginning of his career and charmingly evokes the young man he once was Born in Texas but raised in California Steve was seduced early by the comedy shows that played on the radio when the family travelled back and forth to visit relatives When Disneyland opened just a couple of miles away from home an enchanted Steve was given his first chance to learn magic and entertain an audience He describes how he noted the reaction to each joke in a ledger big laugh or quiet and assiduously studied the acts of colleagues stealing jokes when needed With superb detail Steve recreates the world of small dark clubs and the fear and exhilaration of standing in the spotlight While a philosophy student at UCLA he worked hard at local clubs honing his comedy and slowly attracting a following until he was picked up to write for TV From here on Steve Martin became an acclaimed comedian packing out venues nationwide One night however he noticed empty seats and realised he had reached the top of the rollercoaster BORN STANDING UP is a funny and riveting chronicle of how Steve Martin became the comedy genius we now know and is also a fascinating portrait of an era

Steve Martin Live Introduction

In today's digital age, the availability of Steve Martin Live books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Steve Martin Live books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Steve Martin Live books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Steve Martin Live versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Steve Martin Live books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Steve Martin Live books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Steve Martin Live books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Steve Martin Live books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Steve Martin Live books and manuals for download and embark on your journey of knowledge?
