Slow Surrender:

Slow Surrender Cecilia Tan, 2013-03-05 He pushes her sexual boundaries From the moment waitress Karina meets him in a New York bar she knows James is different Daring Dominating Though he hides his true identity from her the mysterious wealthy businessman anticipates her every desire and fulfills her secret fantasies Awakened by his touch Karina discovers a wild side she hadn't known existed and nothing is off limits She aches for more What begins as an erotic game soon escalates to a power play that blurs the line between pleasure and pain Even as she capitulates to James's sensual demands Karina craves more She wants his heart his soul She wants his love and she'll break all the rules to get it

The Book of Life Secrets for Today's World Rai Flowers, Rasheed Flowers, 2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year Each day's entry includes a focus point and that point is emphasized and supported by specific citations from The Bible The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God's words Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God's words The format of this manuscript is engaging The daily entries give the reader a new thought to ponder each day The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God's words support this thought

Troublemaker Christine O'Donnell, 2025-09-23 The 2010 candidate for Senate and established political troublemaker voices the quiet anger in America today where it comes from what it's asking for and where it's going from here Time Magazine From the moment she upset a heavily favored incumbent in the primary for the special election to fill the Senate seat vacated by Joe Biden Christine O'Donnell made

headlines Though she didn't win the general election O'Donnell did win the designation of 2010's Most Covered Candidate And what people were talking about wasn't just gossip they responded to a fresh unencumbered voice that appealed to voter frustration with politics and politicians as usual America's strength lies in its government by the people for the people but too many of those people feel they are now just labeled featureless residents of flyover country told what to think and what they can and cannot do by an entrenched reigning class of elites O'Donnell's candidacy gave hope that the voices of real people the people not only can be heard but can also become a force Part of this hope is invested in the nascent Tea Party but most of it is invested in individual voters who are willing to work hard and make sacrifices for what they believe in not what backroom dealing and a bloated federal government has mandated is good for them Troublemaker is about where O'Donnell comes from the Philadelphia suburbs with five kids to a room and what she weathered in the 2010 election But the core of the book is a clear straightforward discussion of an America that yearns to embrace freedom and opportunity through personal responsibility and how it is hamstrung and stymied by excessive regulation taxation and the sanctimony of a nanny state And Troublemaker will deliver an important rousing message about what we do with the quiet anger in America today where we can go and how strong we can be from here Warning readers that challenging the status quo makes the political establishment push back O'Donnell wants to build a movement that will continue to goad it It's practical too since O'Donnell believes in power through participation it's not enough to grumble about how things are going pitch in and try to change things if you care O'Donnell details how she participated by running for high office as an everywoman but also shows how attending town council meetings organizing a petition drive making an effort to meet a staffer in your local representative's office or simply reading the minutes from your community board can make a difference

Never a Bride Karen Wiesner,2022-03-24 Once upon a time Ben Johnson believed he had forever sewn up with Layla But fairy tales rarely come true in reality Long before her nephew was in a hunting accident and she blamed Ben for not preventing it the two of them

had broken up citing irreconcilable differences Layla hadn't wanted his family to know the truth Following the accident she walked out for good he assumed Charlize Seagrave never fit in anywhere drawn to danger darkness and drugs For years she was the guitarist and songwriter for a death metal band and involved with the frontman who only encouraged her deadly addictions In order to hide from Freyr Charlize checked herself rehab Later clean another first in her life she attended her new friend's wedding and met Ben Despite their instant connection he was supposedly in a committed relationship and she had no interest whatsoever in commitment If only Ben wasn't so unlike every other person she's ever known If only she didn't feel like he alone understands and gets her When Charlize returns to Amethyst at Halloween Ben knows loneliness has nothing to do with his feelings for her His attraction to her the last time she was in Amethyst wasn't something he was comfortable with despite that he and Layla had broken up even before his family learned of the fact But now Layla is implying she's had a change of heart Ben wonders if this is all getting too complicated or if the solution is as simple as a kiss

Rough Rides & Tender Nights Tessa Wren, 2025-04-19 A guarded bartender A gentle vet One broken arm A thousand aching hearts Sadie Miller isn't used to letting people in As the sharp tongued bartender of The Rusty Mule she hides her bruised past behind whiskey pours and wicked smiles But when a scuffle leaves her injured the town's reserved vet Noah Barnes steps in to help and awakens a vulnerability she's tried to bury Noah has spent years tending to wounded animals and avoiding emotional entanglements But Sadie is different Beneath the sass and smirks he sees a woman worth risking everything for As tender touches turn into smoldering nights and quiet confessions their connection deepens But trust doesn't come easy and when the scars of Sadie's past resurface Noah must prove he's not just the man who can heal her wounds but the one who'll never walk away A slow burn emotionally rich romance for fans of damaged heroines soft alpha heroes and heart stealing small town love
