Wube,2018-01-20 Since the downfall of the Derge and the establishment of the decree for religious freedom there have been types of problems related to the size and type of groups that have greatly affected the Ethiopian evangelical church The first category of problem is due to the attraction that many contemporary church leaders have for reaching multitudes and building mega church ministries at the expense of small group ministries Because of the priority on the large group environment small group ministries have been neglected resulting in a whole generation of students and people who have never experience the vibrant spiritual benefits of a small group As a result believers are inclined to attend only Sunday Worship Services and the rest of the week live disconnected from vital relational community and involvement Too many churches in Ethiopia today have chosen to focus on the quantity of the people rather than the quality of the disciple resulting in the spiritual diseases of nominalism and carnality Discipleship and biblical Koinonia are being ignored therefore many people are not experiencing the richness of biblical Christianity in many practical ways This has resulted in the loss of Ethiopian Evangelicals identity as well as an influence on all aspects of Ethiopian culture including her institutions and government **Church & Synagogue Libraries** ,2005 American Book Publishing Record ,2004 *Position Descriptions by Design* Gary H. Woolverton,2012-08 Churches have become such an entity that they are being structured and led much as normal businesses are run Because of this churches must provide adequate and effective services to their employees Proper descriptions of the jobs and related positions of the employees in the church are critical to having an effective staff that can best serve the community Descriptions of what is expected of volunteers are also crucial to having sufficient servants to do the work God desires of them This book is a collection of position descriptions as well as the whats whys and hows of developing implementing and maintaining effective descriptions for both career employees and volunteers In addition to the more than 170 descriptions included in the book more than 950 descriptions are available for download Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 **Forthcoming Books** Rose Army,2003-12 **The American Friend** ,1948 The Methodist Woman ,1959 American Doctoral Dissertations ,1980 *Friends Journal* ,2002 **Black Enterprise** ,2000-06 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance *Comprehensive Dissertation Index* ,1984 Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12 Discipleship Journal's Best Small-Group Ideas The Navigators,2005 Discover creative ideas for outreach serving prayer
