Small Town Baltimore Gilbert Sandler, 2002-10-10 This album of memories introduces the reader to the people and places neighborhoods restaurants department stores parks hotels night clubs racetracks and theaters that once put the charm in Charm City BOOK JACKET

Come and Be Shocked Mary Rizzo, 2020-09-15 Baltimore seen through the eyes of John Waters Anne Tyler Charles S Dutton Barry Levinson David Simon and also ordinary citizens The city of Baltimore features prominently in an extraordinary number of films television shows novels plays poems and songs Whether it is the small town eccentricity of Charm City think duckpin bowling and marble stooped row houses or the gang violence of Bodymore Murdaland Baltimore has figured prominently in popular culture about cities since the 1950s In Come and Be Shocked Mary Rizzo examines the cultural history and racial politics of these contrasting images of the city From the 1950s a period of urban crisis and urban renewal to the early twenty first century Rizzo looks at how artists created powerful images of Baltimore How Rizzo asks do the imaginary cities created by artists affect the real cities that we live in How does public policy intentionally or not shape the kinds of cultural representations that artists create And why has the relationship between artists and Baltimore city officials been so fraught resulting in public battles over film permits and censorship To answer these questions Rizzo explores the rise of tourism urban branding and citizen activism She considers artists working in the margins from the East Baltimore poets writing in Chicory a community magazine funded by the Office of Economic Opportunity to a young John Waters who shot his early low budget movies on the streets guerrilla style She also investigates more mainstream art from the teen dance sensation The Buddy Deane Show to the comedy drama Roc to the crime show The Wire from Anne Tyler's award winning book The Accidental Tourist to Barry Levinson's movie classic Diner

On Middle Ground Eric L. Goldstein, Deborah R. Weiner, 2018-03-28 A model of Jewish community history that will enlighten anyone interested in Baltimore and its past Winner of the Southern Jewish Historical Society Book Prize by the Southern Jewish Historical Society Finalist of the American Jewish Studies Book Award by the Jewish Book Council National Jewish Book Awards In 1938 Gustav Brunn and his family fled Nazi Germany and settled in Baltimore Brunn found a job at McCormick's Spice Company but was fired after three days when according to family legend the manager discovered he was Jewish He started his own successful business using a spice mill he brought over from Germany and developed a blend especially for the seafood purveyors across the street Before long his Old Bay spice blend would grace kitchen cabinets in virtually every home in Maryland The Brunns sold the business in 1986 Four years later Old Bay was again sold to McCormick In On Middle Ground the first truly comprehensive history of Baltimore's Jewish community Eric L Goldstein and Deborah R Weiner describe not only the formal institutions of Jewish life but also the everyday experiences of families like the Brunns and of a diverse Jewish population that included immigrants and natives factory workers and department store owners traditionalists and reformers The story of Baltimore Jews full of absorbing characters and marked by dramas of immigration acculturation

and assimilation is the story of American Jews in microcosm But its contours also reflect the city's unique culture Goldstein and Weiner argue that Baltimore's distinctive setting as both a border city and an immigrant port offered opportunities for advancement that made it a magnet for successive waves of Jewish settlers The authors detail how the city began to attract enterprising merchants during the American Revolution when it thrived as one of the few ports remaining free of British blockade They trace Baltimore's meteoric rise as a commercial center which drew Jewish newcomers who helped the upstart town surpass Philadelphia as the second largest American city They explore the important role of Jewish entrepreneurs as Baltimore became a commercial gateway to the South and later developed a thriving industrial scene Readers learn how in the twentieth century the growth of suburbia and the redevelopment of downtown offered scope to civic leaders business owners and real estate developers From symphony benefactor Joseph Meyerhoff to Governor Marvin Mandel and trailblazing state senator Rosalie Abrams Jews joined the ranks of Baltimore's most influential cultural philanthropic and political leaders while working on the grassroots level to reshape a metro area confronted with the challenges of modern urban life Accessibly written and enriched by more than 130 illustrations *On Middle Ground* reveals that local Jewish life was profoundly shaped by Baltimore's middleness its hybrid identity as a meeting point between North and South a major industrial center with a legacy of slavery and a large city with a small town feel

Tradition, Urban Identity, and the Baltimore "Hon" David J. Puglia, 2018-09-15 Baltimoreans have garnered a reputation for greeting one another by tagging hon to their speech In the late twentieth and early twenty first century this small piece of local dialect took center stage in a series of rancorous public debates over the identity associated with Baltimore culture Each time controversy followed leading to consequences ranging from protests and boycotts to formal legislative action Hon brought into focus Baltimore's past and future by symbolizing lingering divisions of race class gender and belonging in the midst of campaigns to unify and modernize the city While some decried hon and the Hon as embarrassing others hailed the word and the related image of a down to earth blue collar woman as emblematic of the authentic Baltimorean This book tells the story of the battles that flared over the attempts to use hon to construct a citywide local tradition and their consequences for the future of local culture in the United States
