Korean Management Kae H.

Chung, Hak Chong Lee, Ku Hyun Jung, 2016-11-21 No detailed description available for Korean Management *Learning to Think Korean* L. Robert Kohls, 2001-08-01 The definitive guide to understanding Korea from home to work and those cultural destinations in between Kohls shares a feast of Korean culture a ricebowl of history and tradition complemented by an array of spicy tidbits that capture the reader's attention like a mouthful of kimchi Based on personal experience he provides critical incidents that explore the more puzzling aspects of Korean culture Kohls explores Korean values traditional values value changes over the past forty years and projected values for the early decades of the twenty first century He is equally insightful when it comes to discussing the cultural patterns and practices of the workplace He takes on management style personal issues networking and pull negotiating style persistence key Korean business relations and more To a greater extent than most other Asian countries Korea adheres to the traditional collectivist and Confucian traits of harmony hierarchy ingroups outgroups status and proper behavior According to Kohls these traits plus the more Westernized values of the younger generations and the veneer of modern urban savvy surface in surprising combinations in personal and workplace

relationships often where they are least expected

Reforming

Learning and Teaching in Asia-Pacific Universities

Chi-hung Clarence Ng,Robert Fox,Michiko Nakano,2016-05-06

This book focuses on learning and teaching as the core business of higher education and explores reformative efforts in response to the influences of globalised processes in three advanced economies in the Asia Pacific region Japan Hong Kong and Australia This is a significant book as it adds to limited discussions on the globalisation of learning debates and scholarly reflections on the links between globalised processes and changing educational practices critical to understanding the current challenges and options available for charting future development for universities in the Asia Pacific region and beyond It rejects an essentialising perspective that considers changes as inevitable and uniform Instead it considers negotiations arguments and even resistance as competing forces and integral components of the process of reforming pedagogical practices in Asia Pacific universities This book discusses globalised processes as a new context for reforming learning and teaching and its focused discussions cover topics including meeting the needs of new student groups new technological practices for change use of English as an international language and challenges in assessment and quality assurance *Academic Apartheid* Sean J. Drake,2022-03-22 Introduction segregated schools and disadvantaged students in an affluent neighborhood If you re not in AP classes then who are you how pinnacle s institutional culture stratified the student body The symbolic criminalization of failure the segregation of teaching and learning The institutionalization of ethnic capital We ve failed these kids missed opportunities and signs of hope Conclusion Methodological postscript
