*Communication with All Life (Large Print 16pt)* Joan Ranquet,2010-06-21 Although Communication with All Life is about

animal communication it isn't just a how to book but a guide that will help you discern how much you're already exchanging feelings words and pictures with your pet Woven throughout the book are many stories to illustrate and support the theory that animal communication isn't something that you do or need to learn it just is By tuning in telepathically Joan Ranquet has helped thousands of people and animals deepen their connections with each other resolve behavioral problems assist in the process of death and dying and examine issues surrounding illness and accidents Many of the situations that are dealt with throughout the book are actually people perception problems rather than stories of an ill behaved dog cat horse bird or other pet Communication with All Life illustrates how to move past the emotional patterns that create unwanted behavior and ultimately demonstrates that animal companions give humans the opportunity to enact leadership and responsibility in their thoughts and feelings to ensure harmony at home *For Keeps* Donna Carlisle, 1991 **Pepper, the Highlander & the Dead Guy** Donna Fletcher, 2023-10-18 A dead guy a Highlander a murder and a long kept secret Pepper never expected her morning stroll through the woods to turn into a downhill tumble literally Rolling down a hill she lands in a heap at the most inconvenient spot imaginable right next to a dead guy with a slashed throat And as if that's not bad enough towering over her is none other than G I Joe decked out in camo with a knife in hand Killer Soldier Or maybe just a guy who takes Halloween way too seriously Let's back up Pepper a well known prepper whose logo is Prepped Prepared should've known better than to venture into the woods in moccasins But curiosity got the better of her Who wouldn't want to scope out the new neighbor who just bought the massive sixty acre Willow Lake Lodge property that hugs her modest three acres Big mistake Huge Her dad the sheriff of Willow Lake is ordering her to steer clear of Ian Macgregor the new lodge owner and now suspect Josh youngest of her three brothers and a police officer on the Willow Lake force warns her as well to avoid the hot hunk Growing up with three older brothers wasn't exactly conducive to getting boyfriends but at twenty eight those days are gone at least she intends to make sure they are And as far as the hot hunk He's too handsome and handsome equals trouble Curiosity has Pepper once again sneaking around the lodge with her best friend since grade school Amy She takes another fall but this time Pepper lands at the feet of a Highlander Yes you read that right a Highlander Turns out Ian Macgregor isn't just the new neighbor he's THE Ian Macgregor a ridiculously handsome and wildly famous romance novel cover model Oh and did she mention he might also be a murderer Because why stop at annoyingly good looking when you can add potentially lethal to the mix With her dad and brothers practically posting Do Not Enter signs around Ian Pepper knows she should mind her business But when strange clues surface and sparks start flying between her and the Highlander Pepper can't resist poking around After all what's a little murder mystery between neighbors Welcome to Willow Lake PA a charming small town where quirky characters abound Meet Mo Pepper's genius Alaskan Malamute and Roxie a calico cat who does as she pleases but what cat doesn't Add in a dash of romance a heap of laughs and a good dose of suspense and you've got Pepper The Highlander The Dead Guy the hilarious first book in the Pepper the Prepper Mystery Series *Smart Paws*
