Guinness World Records Celebrating 60 Years Guinness World Records,2015-01-05 For 60 years Guinness World Records has celebrated the world s most remarkable human and animal achievements natural wonders and feats of innovation In doing so it has inspired generations of record setters and GWR fans alike and has set its own record for all time bestselling annual publication over 130 million copies sold In this special diamond anniversary book we share 60 of the most iconic heart warming and world changing records year by year from 1955 to today Illustrated with stunning photography these records show how Guinness World Records has acted as a mirror to the evolving world around us From pioneering space exploration and unrivalled sporting achievements to supersized animals and incredible human bodies there s something here for everyone Perhaps it will even inspire the next generation of record breakers *The Guinness Book of World Records, 1997* Mark C. Young,1996 Features the most astounding feats of humans animals and nature in such categories as smallest dog largest mass of gold oldest cow youngest college graduate tallest scaffolding and fastest knitter **The Guinness Book of Records, 1997** Mark C. Young,Norris McWhirter,1997 Lists records and statistics related to human beings animals science technology buildings transportation business arts entertainment human achievement and sports **Guinness World Records 2015** Guinness World Records,2014-09-16 With a fresh new design and feel inspired by innovations in tablet technology the latest GUINNESS WORLD RECORDS book presents thousands of new and updated records along with hundreds of amazing never before seen photographs The 2015 edition showcases the very best of the most recent world records with new subjects as diverse as castles 3D printing the search for alien life and the latest developments in AI and robotics Plus the Flashback features offer a look back at the archives to bring you the best of the classic and iconic records from the past 60 years Meanwhile the Gallery spreads present the best GUINNESS WORLD RECORDS photography across themed topics such as giant musical instruments wacky vehicles and animals in action And look out for details of how readers can become record breakers themselves **The Story of Chess Records** John Collis,1998-10-15 If one man can be credited with creating the language of rock n roll it is Chuck Berry In the early 1950 s he was just an ambitious Nat King Cole imitator gigging in St Louis but ten years after moving to Chicago and cutting is first hit Maybelline in 1955 he built a catalogue of classics that inspired the Beatles the Rolling Stones and every rock musician since Meanwhile his Chicago rival Bo Diddley the earthiest and arguably the most exciting of the rock n roll performers was reminding us that this music was just a step away from the blues Although he was raised in Chicago his music was a bizarre electric version of the blues of his birthplace Mississippi Between them Chuck and Bo caused a revolution in Chicago blues hitherto largely unknown to white America and the mass market Both were signed to Chess Records established by Eastern European immigrants the Chess brothers who provided the shop window for Chicago bluesmen while also conforming to a now all too familiar pattern as white

entrepreneurs exploiting black talent Chess Records both examines the subject of exploitation within the record business and celebrated the music of two unique and important artists and the extraordinarily fertile blues environment out of which they grew

Encyclopedia of Cryptozoology Michael Newton,2016-10-05 On every continent and in every nation animals unrecognized by modern science are reported on a daily basis People passionately pursue these creatures the name given to their field of study is cryptozoology Coined in the 1950s the term literally means the science of hidden animals When the International Society of Cryptozoology ISC was formed in 1982 the founders declared that the branch of science is also concerned with the possible existence of known animals in areas where they are not supposed to occur either now or in the past as well as the unknown persistence of presumed extinct animals to the present time or to the recent past what makes an animal of interest to cryptology is that it is unexpected This reference work presents a flesh and blood view of cryptozoology Here 2 744 entries are listed the majority of which each describe one specific creature or type of creature Other entries cover 742 places where unnamed cryptids are said to appear profiles of 77 groups and 112 individuals who have contributed to the field descriptions of objects and events important to the subject and essays on cryptotourism and hoaxes for example Appendices offer a timeline of zoological discoveries annotated lists of movies and television series with cryptozoological themes a list of crypto fiction titles and a list of Internet websites devoted to cryptozoology
