Callahan,2001-11-09 The Voice of Pleasure makes a persuasive and fascinating argument that the romantic couple of Western representation is not heterosexual Nor is it homosexual With insightful new readings of landmarks of Western culture from Tristan and Yseut to Seinfeld Callahan demonstrates that the illusion of heterosexuality is created by a male artist s assumption of a feminine voice to express desire Named the troubadour effect for the first time here this tradition of male femininity in romantic writing results in a cultural model of desire best described as heterosexuality without women The most compelling aspect of the book is its attention to the effect of this paradox on women writers Illuminating her argument with striking examples from the troubairitz to Toni Morrison the author shows how women writers inscribe their vagabondage a term she coins to name the consequences of the troubadour effect for women s agency as both writers and lovers Come Out, Come Out, Whoever You Are Abigail C. Saguy,2020-01-15 Come Out Come Out Whoever You Are examines the variety of ways various people and groups use the concept of coming out to resist stigma and mobilize for social change It examines how American lesbians gay bisexual transgender queer LGBTQ people have used the term in different ways over time It also examines how four diverse U S social movements the fat acceptance movement undocumented immigrant youth movement the plural marriage family movement among Mormon fundamentalist polygamists and the MeToo movement have employed the concept to advance their cause It sheds light on these particular struggles while illuminating broader questions regarding social change cultural meaning and collective mobilization **Books in Print** ,1979 *The Publishers' Trade List Annual* ,1985
